

Year 3 & 4 Blackbirds

Art and Design

Summer 1

Key Vocabulary –

Design – to come up with an idea.

Evaluate – to work out which things we like and dislike about something.

Decorate – to add extra detail to something in order to make it more appealing.

Weave – to thread strands of wool or thread together to make a pattern or fabric.

Thread – a single piece of material that can be used for sewing or weaving.

Wool – a type of material that often comes from sheep and can be used for knitting and weaving.

This term in our Art lessons we will be learning about weaving.

What is Weaving?

Weaving is the craft or action of forming fabric by interlacing threads.

In our DT lessons this half term we will be learning about cookery and will be designing our own biscuits.

A person using a weaving tool to create fabric.

Start of Unit Quiz

- 1. What ingredients do we need to make biscuits?*
- 2. What materials can we use to weave?*
- 3. Can you name two types of weaving?*

End of Unit Quiz

- 1. What ingredients do we need to make biscuits?*
- 2. What materials can we use to weave?*
- 3. Can you name two types of weaving?*
