

EMAT POLICY FOR SAFEGUARDING INCORPORATING CHILD PROTECTION Updated July 2024

*[Based on the Norfolk County Council Model Policy;
With adaptations for our Suffolk Academy]*

[‘Keeping Children Safe in Education’, DfE \(2024\)](#)

The model policy was revised in July 2024 to reflect the changes in national guidance as a consequence of the publication of revisions to ‘*Keeping Children Safe in Education*’ on 24 May 2024. This guidance will **become statutory on 1 September 2024** and all academies and colleges must have regard to it when carrying out their duties to safeguard and promote the welfare of children. Until 1 September 2024, academies and colleges must continue to use the current statutory guidance dated September 2023.

In accordance with the guidance, governing boards, Trustees and Academy Committees, should ensure that all staff and volunteers are aware of the new policy and are kept up to date as it is revised. The revised policy should continue to be made available publicly on each academy website.

The following policy is designed to support EMAT academies in keeping children and their communities safe. It has been adapted to make it relevant to each individual academy, and any particular local safeguarding issues that the academy is dealing with. Academy-specific information has been added e.g. information about the curriculum (including information about Relationships Education, Relationships and Sex Education and Health Education) and the academy’s monitoring and evaluation procedures in the Local Annex A

Mark Cresswell
EMAT Safeguarding Lead

WHOLE ACADEMY POLICY FOR SAFEGUARDING INCORPORATING CHILD PROTECTION

EASTERN MULTI-ACADEMY TRUST

Policy Consultation & Review

This policy is available on our Trust website, each individual academy website and is available on request from the academy office. We also inform parents and carers about this policy when their children join our academy and through our academy newsletter.

We recognise the expertise our staff build by undertaking safeguarding training and managing safeguarding concerns on a daily basis and we therefore invite staff to contribute to and shape this policy and associated safeguarding arrangements.

The policy is provided to all staff at induction alongside our Staff Code of Conduct, behaviour policy and the safeguarding response to those pupils who are absent from education. In addition, all staff are provided with Part One of the statutory guidance [‘Keeping Children Safe in Education’](#), DfE (2024).

This policy will be reviewed in full by the Board of Trustees on an annual basis. This policy was last reviewed and agreed by the Governing Board on 23/7/24 It is due for review on September 2025,

Annex A – Local Safeguarding Arrangements

1. PURPOSE & AIMS

1.1 The purpose of EMAT's safeguarding policy is to ensure every child who is a registered pupil in our Trust is safe and protected from harm. This means we will always work to:

- Provide help and support to meet the needs of children and young people as soon as problems emerge;
- Protect children from maltreatment, whether that is within or outside the home, including online
- Prevent impairment of our children's and young people's mental and physical health or development;
- Ensure that children and young people in our Trust grow up in circumstances consistent with the provision of safe and effective care;
- Undertake that role so as to enable children and young people at our academy to have the best outcomes.

1.2 This policy will give clear direction to all staff including supply staff, volunteers, visitors and parents about expected behaviour and our legal responsibility to safeguard and promote the welfare of all children in our Trust.

1.3 Our Trust fully recognises the contribution it can make to protect children from harm and supporting and promoting the welfare of all children who are registered pupils at any of our academies. The elements of our policy are prevention, protection and support.

1.4 We recognise that our safeguarding responsibilities are clearly linked to our responsibilities for ensuring that appropriate safeguarding responses are in place for children who are absent from any academy or who go missing from education, particularly for prolonged periods and/or on repeat occasions. The Attendance Leads in each academy will regularly liaise with the Designated Safeguarding Lead to discuss all persistently absent pupils and those who go missing to identify the risk of abuse and neglect including sexual abuse or exploitation and to ensure that appropriate safeguarding responses have been put in place to reduce the risk of future harm.

1.5 This policy applies to all pupils, staff, parents, governors, volunteers and visitors who visit any academy in our Trust

2. OUR ETHOS

2.1 The child's welfare is of paramount importance. Our Trust will establish and maintain an ethos where pupils feel secure, are encouraged to talk, are listened to and are safe. Children at any of our academies will be able to talk freely to any member of staff in our Trust if they are worried or concerned about something. All staff will reassure victims that they are being taken seriously and that they will be supported and kept safe. Victims will never be given the impression that they are creating a problem by reporting abuse, sexual violence or sexual harassment.

2.2 Everyone who comes into contact with children and their families has a role to play in safeguarding children. We recognise that staff at any of our

academies play a particularly important role as they are in a position to identify concerns early and provide help for children to prevent concerns from escalating. **All staff are advised to maintain an attitude of ‘it could happen here’ where safeguarding is concerned.** When concerned about the welfare of a child, staff members must always act in the **best interests** of the child.

2.3 In EMAT, we ensure that safeguarding and child protection is at the forefront and underpins all relevant aspects of process and policy development. We operate with the best interests of the child at their heart.

2.4 Where there is a safeguarding concern, the child’s wishes and feelings are taken into account when determining what action to take and what services to provide. The systems we have in place are well promoted, easily understood and easily accessible for children to confidently report abuse, knowing their concerns will be treated seriously, and knowing they can safely express their views and give feedback.

2.5 All staff and regular visitors will, through training and induction, know how to recognise indicators of concern, how to respond to a disclosure from a child and how to record and report this information. We will not make promises to any child and we will not keep secrets. Every child will know what the adult will have to do with any information they have chosen to disclose. All staff will be trained to recognise that children may not feel ready or know how to tell someone that they are being abused, exploited, or neglected, and/or they may not recognise their experiences as harmful.

2.6 Throughout our broad and balanced curriculum, we will provide activities and opportunities for children to develop the knowledge, values and skills they need to identify risks, including knowing when and how to ask for help for themselves and others to stay safe (this includes online). The Relationships Education, Relationships and Sex Education and Health Education (delivered in regularly timetabled lessons and reinforced throughout the whole curriculum) will cover relevant topics in an age and stage appropriate way, enabling pupils to learn about their rights and responsibilities to behave and stay safe in a variety of contexts on and offline. This will provide further reinforcement to help children identify risks, know when to seek support and develop the skills to ask for help from trustworthy, reliable sources. We achieve this by:

Please see Annex A and individual academy websites for details about how safeguarding is supported through each academy’s curriculum content – particularly those pages containing PSHE, RSE and E-Safety details. Please also note the individual Safeguarding pages where further information can be gathered.

Further information can be found in the DfE guidance ‘[Teaching online safety in academy](#)’ and ‘[Relationships Education, Relationships and Sex Education and Health Education](#)’. This education is underpinned by each academy’s behaviour policy and pastoral support system.

2.7 At all times we will work in partnership and endeavour to establish effective working relationships with parents, carers and colleagues from other agencies in line with [Working Together to Safeguard Children](#) (2023) and the [Norfolk Multi Agency Safeguarding Partnership arrangements](#) and [Suffolk Multi-Agency Safeguarding Partnership](#) for their arrangements.

2.8 As part of our responsibilities for safeguarding and promoting the welfare of children, we will provide a co-ordinated offer of early help when additional needs of children are identified. These may include if a child:

- is disabled or has certain health conditions and has specific additional needs
- has special educational needs (whether or not they have a statutory education, health and care plan)
- has a mental health need
- is a young carer
- is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups or county lines
- is frequently missing/goes missing from education, care or from home
- has experienced multiple suspensions, is at risk of being permanently excluded from academies, colleges and in Alternative Provision or a Pupil Referral Unit
- is misusing drugs or alcohol themselves
- is at risk of modern slavery, trafficking or exploitation
- is in a family circumstance presenting challenges for the child, such as substance abuse, adult mental health problems or domestic abuse
- is at risk of being radicalised or exploited
- is at risk of 'honour'-based abuse such as Female Genital Mutilation or Forced Marriage
- is a privately fostered child
- has a family member in custody, or is affected by parental offending

2.9 In EMAT Academies we understand the importance of working in a way that adheres to the following legislation:

- The Human Rights Act 1998
- Equality Act 2010
- Public Sector Equality Duty

This means we do not unlawfully discriminate against pupils because of their sex, race, disability, religion or belief, gender reassignment, pregnancy and maternity, or sexual orientation (protected characteristics).

3. ROLES AND RESPONSIBILITIES

Role	Name	Contact details
Trust Designated Safeguarding Lead (DSL)	Mark Cresswell	mark.cresswell@eastern-mat.co.uk
Mental Health Lead	Deborah Rapkins	deborah.rapkins@eastern-mat.co.uk
Deputy DSL	Imran Khan	imran.khan@eastern-mat.co.uk
CEO	Paul Shanks	paul.shanks@eastern-mat.co.uk
Named Safeguarding Trustee	Julie Perry	julie.perry@eastern-mat.co.uk
Chair of Governors / Trustees	Julie Perry	julie.perry@eastern-mat.co.uk

3.1 It is the responsibility of *every* member of staff, volunteer and regular visitor to any of our academies to ensure that they carry out the requirements of this policy and, at all times, work in a way that will safeguard and promote the welfare of all of the pupils at this academy. This includes the responsibility to provide a safe environment in which children can learn.

The Board of Trustees and Academy Committees

3.2 The Board of Trustees is accountable for ensuring the effectiveness of this policy and our compliance with it. Although the Academy Committees take local collective responsibility to safeguard and promote the welfare of our pupils, we also have a named Academy Committee member who champions safeguarding within each individual academy.

3.3 The Board of Trustees will ensure that:

- The safeguarding policy is in place, is reviewed annually, is available publicly via our trust website and has been written in line with Local Authority guidance and the requirements of the Norfolk and Suffolk Safeguarding Children Partnership policies and procedures;
- The academy contributes to inter-agency working in line with Working Together to Safeguard Children (2023);
- A senior member of staff from each leadership team is designated to take the lead responsibility for safeguarding and child protection and that there is at least one deputy DSL(s) who is appropriately trained member to deal with any issues in the absence of the Designated Safeguarding Lead (DSL). There will always be cover for this role. The role will be evidenced explicitly in the role holder's job description.
- All staff receive a safeguarding induction and are provided with a copy of this policy, the staff code of conduct, the behaviour policy and the

academy's safeguarding response for those pupils who are absent from education as detailed in section 6 of this policy.

- All staff undertake appropriate child protection training that is updated annually, as well as GDPR, Cyber-Security, Prevent and online safety training;
- In terms of filtering and monitoring there is consideration to the number of and age range of children, those who are potentially at greater risk of harm and how often they access the IT system along with the proportionality of costs versus safeguarding risks. All academies have Web Filtering in place that meets or exceeds the statutory guidance with full reporting on breaches. Principals/DSLs are expected to report to their Academy Committee or School Improvement Director on any attempted or actual breach.
- Procedures are in place for dealing with allegations against members of staff and volunteers in line with statutory guidance;
- Safer recruitment practices are followed in accordance with the requirements of [*'Keeping Children Safe in Education'*](#) DfE (2024);
- They remedy without delay any weakness in regard to our safeguarding arrangements that are brought to their attention.

3.4 Each Academy Committee will receive a safeguarding report at each meeting that will record the training that has taken place, the number of staff attending and any outstanding training requirements for the academy. It will also record all safeguarding activity that has taken place, for example, meetings attended, reports written, training or induction given. It will not identify individual pupils.

3.41 The CEO [Chief Executive Officer]

3.42 At Eastern Multi Academy Trust, the CEO is responsible for:

- Identifying a senior member of staff from the Executive Leadership Team to be the Designated Safeguarding Lead [DSL] for the Trust;
- Identifying alternate member of staff to act as the DSL in his/her absence to ensure there is always cover for the role;
- Ensuring that policies and procedures adopted by the Trust Board, particularly concerning referrals of cases of suspected abuse and neglect, are followed by all staff;
- Ensuring that all staff and volunteers feel able to raise concerns about poor or unsafe practice and that such concerns are addressed sensitively in accordance with agreed whistleblowing procedures;
- Liaise with the LADO in the event of an allegation of abuse being made against a member of staff or volunteer if of a suitable level in the organisation

The Principal

3.5 Within each Academy the Principal is responsible for:

- Identifying a senior member of staff from leadership team to be the Designated Safeguarding Lead (DSL);
- Identifying alternate members of staff to act as the Designated Safeguarding Lead (DSL) in his/her absence to ensure there is always cover for the role;
- Ensuring that the policies and procedures adopted by the Academy Committee, particularly concerning referrals of cases of suspected abuse and neglect, are followed by all staff;
- Ensuring that all staff and volunteers feel able to raise concerns about poor or unsafe practice and such concerns are addressed sensitively in accordance with agreed whistle-blowing procedures;
- Liaise with the LADO in the event of an allegation of abuse being made against a member of staff or volunteer.

The Designated Safeguarding Lead (DSL)

3.6 The Designated Safeguarding Lead is a senior member of staff, from the leadership team who takes lead responsibility for safeguarding and child protection within each academy. The DSL will carry out their role in accordance with the responsibilities outlined in Annex C of [‘Keeping Children Safe in Education’](#).

3.7 The DSLs in each academy will provide advice and support to other staff on child welfare and child protection matters. Any concern for a child’s safety or welfare will be recorded in writing and given to the DSL.

3.8 During term time the designated safeguarding lead and or a deputy will always be available (during academy hours) for staff in the academy or college to discuss any safeguarding concerns. If in *exceptional* circumstances, a DSL is not available on the academy site in person, each academy will ensure that they are available via telephone and/or any other relevant media.

3.9 The DSLs in each academy will be the representative of our academy at child protection conferences and core group meetings. Through appropriate training, knowledge and experience our DSLs will liaise with Children’s Services and other agencies where necessary, and make referrals of suspected abuse to Children’s Services, take part in strategy discussions and other interagency meetings and contribute to the assessment of children.

3.10 The DSLs will maintain records and child protection files ensuring that they are kept confidential and stored securely (see section 7 for more information.)

3.11 The DSLs are responsible for ensuring that all staff members and volunteers are aware of our policy and the procedure they need to follow. They will ensure that all staff, volunteers and regular visitors have received appropriate child protection information during induction and have been trained within the academy to the agreed academy’s [safeguarding training package](#) provided by Children’s Services.

3.12 The DSL will obtain details of the Local Authority Personal Advisor appointed to guide and support a child who is a care leaver.

3.13 The DSL(s) will work with the Principal and senior leaders, taking lead responsibility for promoting educational outcomes by knowing the welfare, safeguarding and child protection issues that children in need are experiencing, or have experienced, and identifying the impact that these issues might be having on children's attendance, engagement and achievement.

3.14 This will include understanding their academic progress and attainment and maintaining a culture of high aspirations for this cohort and supporting teaching staff to provide additional academic support or reasonable adjustments to help children who have or have had a social worker reach their potential.

3.15 We recognise that a child's experiences of adversity and trauma can leave them vulnerable to further harm, as well as educationally disadvantaged in facing barriers to attendance, learning, behaviour, and mental health. The DSLs will use the information that they hold about children with a social worker to make decisions in the best interests of the child's safety, welfare and help promote educational outcomes. The DSLs will ensure that staff, know who these children are, understand their academic progress and attainment and maintain a culture of high aspirations for this cohort; supporting teaching staff to identify the challenges that children in this group might face and the additional academic support and adjustments that they could make to best support these children.

3.16 The DSLs, in most cases, will take the lead responsibility for understanding the filtering and monitoring systems and processes in place at the academy.

4. TRAINING & INDUCTION

4.1 When new staff join our academy they will be informed of the safeguarding arrangements in place. They will be given a copy of our academy's safeguarding policy along with the staff code of conduct, Part one and/or Annex A of '*Keeping Children Safe in Education*' and told who our Designated Safeguarding Lead (DSL) and Deputy DSLs are. They will also receive a copy of the behaviour policy and the academy's response to children who are absent from education – this information is included in section 6 of this policy. All staff are expected to read these key documents. They will also be provided with information about how to record and report safeguarding concerns through CPOMS, and they will then be given a log-in and trained in how to use the system and where to go if they are concerned.

4.2 Every new member of staff or volunteer will receive safeguarding training during their induction period within the first few weeks of joining the academy. This programme will include information relating to signs and symptoms of abuse, how to manage a disclosure from a child (including reassuring victims

that they are being taken seriously and that they will be supported and kept safe), how to record, the processes for referral to Children's Services and the statutory assessments under Section 17 and Section 47 as well as the remit of the role of the Designated Safeguarding Lead (DSL). The training will also include information about whistleblowing in respect of concerns about another adult's behaviour and suitability to work with children. Staff will also receive online safety training, including understanding the expectations, applicable roles, and responsibilities in relation to filtering and monitoring as this is part of the overarching safeguarding approach of each academy.

4.3 In addition to the safeguarding induction, we will ensure that mechanisms are in place to assist staff to understand and discharge their role and responsibilities as set out in Part one of '*Keeping Children Safe in Education*'. In order to achieve this, we will ensure that:

- all members of staff will undertake appropriate safeguarding training on an annual basis and we will evaluate the impact of this training;
- all staff members receive regular safeguarding and child protection updates (for example, via email, e-bulletins, staff meetings), as required, but at least annually, to provide them with relevant skills and knowledge to safeguard children effectively;
- Further safeguarding training and child protection courses, and information are available through the Trust CPD package [EduCare] as well as GovernorHub and the NGA website

4.4 All regular visitors, temporary staff and volunteers to our academy will be given a set of our safeguarding procedures; they will be informed of whom our DSL and alternate staff members are and what the recording and reporting system is. (See Appendix 2). They will receive a Safeguarding Leaflet [sometimes available in alternative language versions] on entry to the academy; they will be directed to know who the DSL 'on duty' is, and how to share a concern. There are also pictures of the Safeguarding Team available. Any appropriate checks will be made and followed up, and a visitors badge will be issued. They will also be made known if there are any fire alarms or evacuation procedures in place for that day. Visitors may also be asked to turn off or hand in their personal mobile phone.

4.5 The DSL, the alternate designated member(s) of staff and any other senior member of staff who may be in a position of making referrals or attending child protection conferences or core groups will attend one of the multi-agency training courses organised by Norfolk and Suffolk Safeguarding Children's Partnership at least once every three years. The DSL and alternate(s) will attend Designated Safeguarding Lead (DSL) training provided by the Local Authority every two years. In addition to formal training, DSLs will ensure that they update their knowledge and skills at regular intervals, but at least annually, to keep up with any developments relevant to their role, by accessing information and courses provided by the local authority; attending termly DSL Network meetings; being part of a supervision process in-house; maintaining a Safeguarding Board for staff; and updating and refreshing staff knowledge at regular staff meetings.

4.6 Each Academy Committee will also undertake appropriate training to equip them with the knowledge to provide strategic challenge to test and assure themselves that the safeguarding policies and procedures in place are effective and support the delivery of a robust whole academy approach to safeguarding. This training takes place at induction and is updated regularly. Training for Governors to support them in their safeguarding role is available from [Norfolk Governor Services](#). Suffolk Governor Services, or further Trust training which can be accessed via the NGA of which the Trust is a member.

4.7 We actively encourage all of our staff to keep up to date with the most recent local and national safeguarding advice and guidance, Annex B of 'Keeping Children Safe in Education' (2024) provides links to guidance on specific safeguarding issues such as Child Exploitation and Female Genital Mutilation. In addition, local guidance can be accessed via Norfolk and Suffolk Safeguarding Children Partnership and within the [Safeguarding Toolkit](#) on the [Norfolk Academics and Learning Providers website](#).

5. PROCEDURES FOR MANAGING CONCERNS

5.1 All EMAT Academies adhere to child protection procedures that have been agreed locally through the Norfolk and Suffolk Safeguarding Children Partnership. Where we identify children and families in need of support, we will carry out our responsibilities in accordance with [Norfolk Local Assessment Protocol](#) and the [Norfolk Continuum of Need Guidance](#). Or [Suffolk Threshold Document and Guidance Matrix](#)

5.2 Every member of staff including volunteers working with children at our academy are advised to maintain an attitude of '*it could happen here*' where safeguarding is concerned. When concerned about the welfare of a child, staff members should always act in the interests of the child and have a responsibility to take action as outline in this policy.

5.3 All staff are encouraged to report any concerns that they have and not see these as insignificant. On occasions, a referral is justified by a single incident such as an injury or disclosure of abuse. More often however, concerns accumulate over a period of time and are evidenced by building up a picture of harm over time; this is particularly true in cases of emotional abuse and neglect. In these circumstances, it is crucial that staff record and pass on concerns in accordance with this policy immediately to allow the DSL to build up a picture and access support for the child at the earliest opportunity. A reliance on memory without accurate and contemporaneous records of concern could lead to a failure to protect.

5.4 It is *not* the responsibility of academy staff to investigate welfare concerns or determine the truth of any disclosure or allegation. All staff, however, have a duty to recognise concerns and pass the information on in accordance with the procedures outlined in this policy.

5.5 The Designated Safeguarding Lead (DSL) should be used as a first point of contact for concerns and queries regarding any safeguarding concern in

our academy. Any member of staff or visitor to any of our academies who receives a disclosure of abuse or suspects that a child is at risk of harm must report it immediately to the DSL or, if unavailable, to the alternate designated person. In the absence of either of the above, the matter should be brought to the attention of the most senior member of staff.

5.6 All concerns about a child or young person should be reported without delay and recorded in writing using the agreed system in the setting (see Appendix 1 for suggested template). Records should include:

- a clear and comprehensive summary of the concern
- details of how the concern was followed up and resolved
- a note of any action taken, decisions reached and the outcome

5.7 Following receipt of any information raising concern, the DSL will consider what action to take and seek advice from the Norfolk Children's Advice & Duty Service (CADS) or MASH for Suffolk pupils, as required. All information and actions taken, including the reasons for any decisions made, will be fully documented.

5.8 All referrals will be made in line with Norfolk or Suffolk Children's Services procedures as outlined in Appendix 3.

5.9 If, at any point, there is a risk of immediate serious harm to a child a referral should be made to Norfolk CADS/Suffolk MASH immediately. Anybody can make a referral in these circumstances. If the child's situation does not appear to be improving the staff member with concerns should press for re-consideration by raising concerns again with the DSL and/or the Principal. Concerns should always lead to help for the child at some point.

5.10 Staff should always follow the reporting procedures outlined in this policy in the first instance. However, they may also share information directly with Norfolk CADS/Suffolk MASH, or the police if:

- the situation is an emergency and the designated senior person, their alternate and the Principal are all unavailable;
- they are convinced that a direct report is the only way to ensure the pupil's safety.

5.11 Any member of staff who does not feel that concerns about a child have been responded to appropriately and in accordance with the procedures outlined in this policy should raise their concerns with the Principal or the Chair of the Academy Committee. If any member of staff does not feel the situation has been addressed appropriately at this point should contact Norfolk CADS/Suffolk MASH directly with their concerns.

6. SPECIFIC SAFEGUARDING ISSUES

Contextual safeguarding

6.1 In EMAT Academies we recognise that safeguarding incidents and/or behaviours can be associated with factors outside of the academy environments and/or can occur between children outside of the academies.

This is known as contextual safeguarding. It is key that all academy staff understand the definition of contextual safeguarding and consider whether children are at risk of abuse or exploitation in situations outside their families. Through training we will ensure that staff and volunteers are aware that extra-familial harms take a variety of different forms and children can be vulnerable to multiple harms including (but not limited to) sexual exploitation, criminal exploitation, and serious youth violence. When reporting concerns, staff should include as much information and background detail as possible so the DSL can make a referral with a holistic view of the child. This will allow any assessment to consider all the available evidence and the full context of any abuse.

6.2 We recognise that children with special educational needs and/or disabilities (SEND) can face additional safeguarding challenges and these are discussed in staff training. These additional barriers can include:

- assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's disability without further exploration;
- children with SEN and disabilities can be disproportionately impacted by things like bullying- without outwardly showing any signs; and
- communication barriers and difficulties in overcoming these barriers.

6.3 In EMAT Academies we recognise that a previously looked after child potentially remains vulnerable and all staff should have the skills, knowledge and understanding to keep previously looked after children safe. When dealing with looked after children and previously looked after children, it is important that all agencies work together, and prompt action is taken when necessary to safeguard these children, who are a particularly vulnerable group.

Child Sexual Exploitation (CSE), Child Criminal Exploitation (CCE): County Lines and serious violence

6.4 Within EMAT we train staff to recognise that both CSE and CCE are forms of abuse and both occur where an individual or group takes advantage of an imbalance in power to coerce, manipulate or deceive a child into sexual or criminal activity. Whilst age may be the most obvious, this power imbalance can also be due to a range of other factors including gender, sexual identity, cognitive ability, physical strength, status, and access to economic or other resources. Victims can be exploited even when activity appears consensual and it should be noted exploitation as well as being physical can be facilitated and/or take place online.

6.5 We recognise that Child Sexual Exploitation is a form of child sexual abuse and this imbalance of power coerces, manipulates or deceives a child or young person into sexual activity (a) in exchange for something the victim needs or wants, and/or (b) for the financial advantage or increased status of the perpetrator. Child sexual exploitation does not always include physical contact, it can also occur through the use of technology. We understand that some children may not realise they are being exploited e.g. they may believe they are in a genuine romantic relationship.

6.6 Within EMAT we understand that criminal exploitation of children is a geographically widespread form of harm that is a typical feature of county lines criminal activity. Drug networks or gangs groom and exploit children and young people to carry drugs and money from urban areas to suburban and rural areas, market and seaside towns. Key to identifying potential involvement in county lines are missing episodes, when the victim may have been trafficked for the purpose of transporting drugs.

6.7 We understand that children can become trapped by this type of exploitation as perpetrators can threaten victims (and their families) with violence or entrap and coerce them into debt. They may be coerced into carrying weapons such as knives or begin to carry a knife for a sense of protection from harm from others. We will treat these children as victims understanding that they have been criminally exploited even if the activity appears to be something they have agreed or consented to. We recognise the experience of girls who are criminally exploited can be very different to that of boys and that both boys and girls being criminally exploited may be at higher risk of sexual exploitation.

6.8 Within EMAT, staff are aware of the indicators and risk factors which may signal a child is vulnerable to or involved with serious violent crime. We make reference to the Home Office's [Preventing youth violence and gang involvement](#) and [Criminal exploitation of children and vulnerable adults: county lines](#) guidance for more information.

6.9 If a child is suspected to be at risk of or involved in county lines, a referral to the Children's Advice and Duty Service (CADS) or Multi Agency Safeguarding Hub (MASH) will be made alongside consideration of availability of local services/third sector providers who offer support to victims of county lines exploitation.

So-called 'honour-based violence (including Female Genital Mutilation and Forced Marriage)

6.10 Within EMAT, we recognise that our staff are well placed to identify concerns and take action to prevent children from becoming victims of Female Genital Mutilation (FGM) and other forms of so-called 'honour-based' violence (HBV) and provide guidance on these issues through our safeguarding training. If staff have a concern regarding a child that might be at risk of HBV, they should inform the DSL who will activate local safeguarding procedures, using existing national and local protocols for multiagency liaison with police and children's social care.

6.11 Where FGM has taken place, since 31 October 2015 there has been a mandatory reporting duty placed on teachers. [Section 5B of the Female Genital Mutilation Act 2003](#) (as inserted by section 74 of the Serious Crime Act 2015) places a statutory duty upon teachers in England and Wales, to report to the police where they discover (either through disclosure by the victim or visual evidence) that FGM appears to have been carried out on a girl under 18. Those failing to report such cases will face disciplinary sanctions.

We will provide guidance and support to our teachers on this requirement and further information on when and how to make a report can be found in the following Home Office guidance: [Mandatory Reporting of Female Genital Mutilation- procedural information](#) Home Office (January 2020)

6.12 In EMAT Academies we recognise that forcing a person into a marriage is a crime in England and Wales. A forced marriage is one entered into without the full and free consent of one or both parties where violence, threats or any other form of coercion is used to cause a person to enter into a marriage. Threats can be physical or emotional and psychological. Since February 2023 it has also been a crime to carry out any conduct whose purpose is to cause a child to marry before their eighteenth birthday, even if violence, threats or another form of coercion are not used. The Forced Marriage Unit has [statutory guidance](#) and [Multi-agency guidelines](#) and can be contacted for advice or more information: Contact 020 7008 0151 or email fmufco.gov.uk

Preventing radicalisation and extremism

6.13 We recognise that safeguarding against radicalisation and extremism is no different to safeguarding against any other vulnerability in today's society. Within EMAT, we will ensure that:

- Through training, staff, volunteers and governors have an understanding of what radicalisation and extremism is, why we need to be vigilant in academy and how to respond when concerns arise.
- There are systems in place for keeping pupils safe from extremist material when accessing the internet in our academy by using effective filtering and usage policies.
- The DSLs have received Prevent training and will act as the point of contact within our academies for any concerns relating to radicalisation and extremism.
- The DSLs will make referrals in accordance with [Norfolk Channel Procedures](#) and [Suffolk Channel Procedures](#) and will represent our academy at Channel meetings as required.
- Through our curriculum, we will promote the spiritual, moral, social and cultural development of pupils.

Child on child sexual violence and sexual harassment

6.14 Within EMAT, all staff are trained so that they are aware that safeguarding issues can manifest themselves via child on child abuse. This is most likely to include, but may not be limited to:

- bullying (including cyberbullying);
- physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm;
- sexual violence and sexual harassment;
- upskirting;

- sexting (also known as youth produced sexual imagery); and
- initiation/hazing type violence and rituals.

6.15 We recognise that children are vulnerable to physical, sexual and emotional abuse by other children or siblings. Abuse perpetrated by children can be just as harmful as that perpetrated by an adult, so it is important that all staff and volunteers to remember the impact on both the victim of the abuse as well as to focus on the support for the child or young person exhibiting the harmful behaviour. We understand that abuse can occur in intimate personal relationships between children; and that consensual and non-consensual sharing of nudes and semi nudes images and or videos¹ (also known as sexting or youth produced sexual imagery) is a form of child on child abuse.

6.16 We understand, that even if there are no reports in our setting it does not mean it is not happening, it may be the case that it is just not being reported. We recognise that pupils may not find it easy to tell staff about their abuse and can show signs or act in ways that they hope adults will notice and react to. In some cases, the victim may not make a direct report, and this may come from a friend or a conversation that is overheard. Such abuse will always be taken as seriously as abuse perpetrated by an adult and the same safeguarding children procedures will apply in respect of any child who is suffering or likely to suffer significant harm. Staff must never tolerate or dismiss concerns relating to child-on-child abuse and they will always challenge this. It must never be tolerated or passed off as 'banter', 'just having a laugh' or 'part of growing up'. Doing this can lead to a culture of unacceptable behaviours, an unsafe environment for children and in worst case scenarios a culture that normalises abuse leading to children accepting it as normal and not coming forward to report it.

6.17 We regularly review decisions and actions, and relevant policies are updated to reflect any lessons learnt. We look out for potential patterns of concerning, problematic or inappropriate behaviour. Where a pattern is identified, we decide upon an appropriate course of action.

6.18 In our academies all staff will reassure victims that they are being taken seriously and that they will be supported and kept safe. Victims will never be given the impression that they are creating a problem by reporting abuse, sexual violence or sexual harassment. Nor will a victim ever be made to feel ashamed for making a report. We will also offer appropriate support to the perpetrator and any other children involved.

6.19 All staff will understand that they should follow our safeguarding procedures for reporting a concern if they are worried about child-on-child abuse. The DSLs will respond to any concerns related to child-on-child abuse in line with guidance outlined in Part five of '*Keeping Children Safe in Education*.' We will ensure that all concerns, discussions and decisions reached are clearly recorded and any identified actions are followed up.

¹ UKCIS guidance: [Sharing nudes and semi-nudes advice for education settings](#)

6.20 We will work with other agencies including the police and Children's Social Care, as required to respond to concerns about sexual violence and harassment. We will seek consultations where there are concerns or worries about developmentally inappropriate or harmful sexual behaviour from the Harmful Sexual Behaviour (HSB) Team as required so that we ensure we are offering the right support to the child(ren).

6.21 Support will depend on the circumstances of each case and the needs of the child, it may include completion of risk assessments to support children to remain in academy whilst safeguarding other children and the victim, delivery of early intervention in respect of HSB and/or referral to [The Harbour Centre Sexual Assault Referral Centre](#) (SARC) where a pupil discloses a rape, an attempted rape or a serious sexual assault whether this has happened recently or in the past. The assault does not have to have taken place in Norfolk but the victim must live in Norfolk to access support. The SARC also has a 24/7 helpline 01603 276381 if pupils or staff need to speak to a Crisis Worker for help & advice. Referral forms can be found on [The Harbour Centre website](#). The DSL will always contact the police in cases of rape and serious sexual assault as per the guidance [When to call the Police: a guide for academies and colleges, National Police Chiefs Council](#). For Suffolk, victims can access The Ferns [<http://theferns-suffolk.org.uk/>]

Modern Slavery

6.22 In EMAT, we understand that modern slavery encompasses human trafficking and slavery, servitude and forced or compulsory labour. Exploitation can take many forms, including sexual exploitation, forced labour, slavery, servitude, forced criminality and the removal of organs. We refer to the DfE guidance [Modern slavery: how to identify and support victims](#) for concerns of this nature. for concerns of this nature.

Safeguarding responses to children who are absent from education

6.23 In EMAT, we adhere to the '[Working Together to Improve Academy Attendance](#)' (2024) guidance. All staff should be aware of the safeguarding responsibilities for children who are absent from education, particularly on repeat occasions, or for prolonged periods, to help identify the risk of abuse and neglect, including sexual abuse or exploitation, and to help prevent the risks of them going missing in future.

6.24 We adhere to the following procedures and processes to ensure there is an appropriate safeguarding response to children who are absent from education:

- An attendance register is taken at the start of the first session of each academy day and once during the second session;
- We make every effort to contact parents and carers and follow up with the emergency contacts held;
- We hold at least two emergency contact numbers for each of the pupils on our roll wherever possible.
- Staff will alert DSLs to any concerns raised regarding children who are absent from academy;

- The DSLs will meet regularly with the Attendance Lead, SENCo and other members of the pastoral team to ensure that each response is thorough and takes into account all the relevant information about individual children;
- We will follow the procedures outlined in our attendance policy for each academy including undertaking first day calling and monitoring data to ensure we intervene early in cases of poor attendance and/or unexplained absences.
- We understand we remain responsible for the safeguarding of all pupils who are placed in an alternative provision.
- When removing a child from roll at the standard and non-standard transition points, we will inform the Local Authority in accordance with statutory requirements and pass on all safeguarding files.

[Please see individual Annex A Children Absent from Education statements for each academy as part of their Safeguarding and Child Protection procedures.]

Mental Health

6.25 Within EMAT, all staff are made aware, through training, that mental health problems can, in some cases, be an indicator that a child has suffered or is at risk of suffering abuse, neglect or exploitation. Our staff are well placed to observe children day-to-day and identify those whose behaviour suggests that they may be experiencing a mental health problem or be at risk of developing one.

6.26 We understand that where children have suffered abuse and neglect, or other potentially traumatic adverse childhood experiences, this can have a lasting impact throughout childhood, adolescence and into adulthood. Therefore, through training, staff are aware of how children's experiences, can impact on their mental health, behaviour and education. All staff are aware that if they have a mental health concern about a child that is *also* a safeguarding concern, they should take immediate action by passing the information on to a Designated Safeguarding Lead.

6.27 In each of our academies, we have a named Mental Health Lead. There are clear systems and processes in place for identifying possible mental health problems and work with other agencies as required to respond to these concerns. Designated Safeguarding Leads make reference to the '[Mental Health and Behaviour in Academics](#)' DfE guidance for further support.

Online Safety

6.28 In each EMAT Academy all staff are aware that technology is a significant component in many safeguarding and wellbeing issues. Children are at risk of abuse online as well as face to face. We understand that in many cases abuse will take place concurrently via online channels and in daily life. We know that children can also abuse other children online, this can take the form of abusive, harassing, and misogynistic messages, the non-consensual sharing of indecent images, especially around chat groups, and the sharing of abusive images and pornography.

6.29 As part of the requirement for staff to undergo regular updated safeguarding training, online safety training is also delivered. We will ensure online safety is a running and interrelated theme throughout the curriculum and is reflected in relevant policies, teacher training, the role and responsibilities of the designated safeguarding lead and any parental engagement.

6.30 Our Filtering and Monitoring for academies is provided by Turn It On – our current IT support and providers. They are responsible for setting up the initial filtering and monitoring to enable our academies to function safely online with all pupils, whilst not over-restricting usage, so that parts of the curriculum become inaccessible. In addition, the DSL will oversee the Filtering and Monitoring in each academy and report back regularly to Academy Committee, who in turn will report to the Board. The Board of Trustees will have oversight of Filtering and Monitoring across the Trust. All academies are expected to meet the Digital and Technology Standards in Schools and Colleges. More details can be found in our policies on Online Safety and Mobile and Smart Technology which consider the 4Cs, content, contact, conduct and commerce and reflect the fact that many children have unlimited and unrestricted access to the internet via mobile phone networks (i.e. 3G, 4G and 5G).

6.31 In EMAT we recognise that technology, and risks and harms related to the internet evolve and change rapidly. Therefore, we carry out an annual review of our approach to online safety, supported by a risk assessment (on at least an annual basis) that considers and reflects the risks that children face in our setting. We also communicate with parents and carers to reinforce the importance of children being safe online.

Cybercrime

6.32 We understand that cybercrime is criminal activity committed using computers and/or the internet. It is broadly categorised as either ‘cyber-enabled’ (crimes that can happen off-line but are enabled at scale and at speed on-line) or ‘cyber dependent’ (crimes that can be committed only by using a computer). We are aware of the [Cyber security standards for academies and colleges.GOV.UK](https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/61222/cyber-security-standards-for-academies-and-colleges.pdf).

6.33 If there are concerns about a child in this area, the designated safeguarding lead will consider a referral to the [Cyber Choices programme](https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/61222/cyber-security-standards-for-academies-and-colleges.pdf) which aims to intervene where young people are at risk of committing, or being drawn into, low level cyber-dependent offences and divert them to a more positive use of their skills and interests. It aims to intervene where young people are at risk of committing, or being drawn into, low level cyber-dependent offences and divert them to a more positive use of their skills and interests.

Domestic Abuse

6.34 Within EMAT all staff are aware that domestic abuse can encompass a wide range of behaviours and may be a single incident or a pattern of incidents. That abuse can be, but is not limited to, psychological, physical, sexual, financial or emotional. We understand that children can be victims of

domestic abuse. Where they see, hear or experience the effects this can have a detrimental and long-term impact on their health, well-being, development, and ability to learn. We are aware of the [Norfolk Integrated Domestic Abuse Service \(NIDAS\)](#) and signpost victims to the service. [Norfolk and Suffolk Victim Care](#) are available to offer support where threshold for NIDAS support has not been met.

Children with special educational needs and disabilities or physical health issues

6.35 Within EMAT we recognise that children with special educational needs or disabilities (SEND) or certain health conditions can face additional safeguarding challenges such as

- assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's condition without further exploration;
- these children being more prone to peer group isolation or bullying (including prejudice-based bullying) than other children;
- the potential for children with SEND or certain medical conditions being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs; and
- communication barriers and difficulties in managing or reporting these challenges.

6.36 We work to address these additional challenges and consider extra pastoral support and attention for these children, along with ensuring any appropriate support for communication is in place.

6.37 We also recognise that pupils who attend Alternative Provision will often have complex needs and due to this we are aware of the additional risk of harm these children may be vulnerable to.

Children who are lesbian, gay, bisexual or questioning their gender

6.38 The fact that a child or a young person may be lesbian, gay, bisexual or questioning their gender is not in itself an inherent risk factor for harm. However, in line with 'Keeping Children Safe in Education', we recognise that these children and in some cases children who are perceived by other children to be lesbian, gay or bisexual can be just as vulnerable as children who are. Therefore, we work to reduce any additional barriers faced and provide a safe space for these children to speak out or share their concerns with members of staff. Through our curriculum, we counter homophobic, biphobic and transphobic bullying and abuse.

7. RECORDS AND INFORMATION SHARING

7.1 If staff are concerned about the welfare or safety of any child at our academy, they will record their concern either on the agreed reporting form

(Appendix 1) or through the setting's electronic system. Any concerns should be passed to the DSL without delay. CPOMS is used as standard across the Trust, and all staff are expected to use this platform to record concerns. However, visitors to an academy will not have access to the online system, so if requested or needed, they will be issued a paper recording sheet which, when completed, will be handed to the DSL to record on CPOMS.

7.2 Any information recorded will be kept in a separate named file, in a secure cabinet if a paper system is used and not with the child's academic file. These files will be the responsibility of the DSL. Child protection information will only be shared within academy on the basis of 'need to know in the child's interests' and on the understanding that it remains strictly confidential.

7.3 Child protection information will be kept up to date. Each concern logged will include:

- a clear and comprehensive summary of the concern;
- details of how the concern was followed up and resolved;
- a note of any action taken, decisions reached and the outcome.

In each EMAT Academy we will keep detailed, accurate, secure written records of all concerns, discussions and decisions made including the rationale for those decisions. This includes instances where referrals were or were not made to another agency such as the Children's Advice and Duty Service, MASH or the Prevent programme. Invitations to child protection conferences, core groups and all other multi-agency meetings and minutes taken at these will be stored on the child's file whether an electronic or paper system is used. All our safeguarding records will include; a chronology, contents front cover and will record significant events in the child's life.

7.4 When a child leaves any of our academies, (including in year transfers) the DSL will make contact with the DSL at the new academy/school/college and will ensure that the child protection file is forwarded to the receiving establishment. This will be within 5 days for an in-year transfer or within the first 5 days of the start of a new term. We recognise that not providing information as per the timescales can impact on the child's safety, welfare and educational outcomes.

7.5 We will retain evidence to demonstrate how the file has been transferred; this may be in the form of a written confirmation of receipt from the receiving educational establishment and/or evidence of recorded delivery.

7.6 Prior to a child leaving we will consider if it would be appropriate to share any additional information with the new academy or college in advance to help them put in place the right support to safeguard this child.

7.7 Where a parent elects to remove their child from the academy roll to home educate, the academy will make arrangements to pass any safeguarding concerns to the [Services to Home Educators Team](#) within Norfolk County

Council, or the Elective Home Education Team in Suffolk [ehe@suffolk.gov.uk or on 01473 265139.

8. WORKING WITH PARENTS & CARERS

8.1 EMAT is committed to working in partnership with parents/carers to safeguard and promote the welfare of children and to support them to understand our statutory responsibilities in this area.

8.2 When new pupils join our trust, parents and carers will be informed that we have a safeguarding policy. A copy will be provided to parents on request and is available on the trust as well as the academy website. Parents and carers will be informed of our legal duty to assist our colleagues in other agencies with child protection enquiries and what happens should we have cause to contact Norfolk Children's Advice & Duty Service or Suffolk Multi-Agency Safeguarding Hub.

8.3 We are committed to working with parents positively, openly and honestly. We ensure that all parents are treated with respect, dignity and courtesy. We respect parents' rights to privacy and confidentiality and will not share sensitive information unless we have permission, or it is necessary to do so in order to safeguard a child from harm.

8.4 We will seek to share with parents any concerns we may have about their child *unless* to do so may place a child at increased risk of harm. A lack of parental engagement or agreement regarding the concerns the academy has about a child will not prevent the DSL making a referral to Norfolk CADS or Suffolk MASH in those circumstances where it is appropriate to do so.

8.5 In order to keep children safe and provide appropriate care for them, each academy requires parents to provide accurate and up to date information regarding:

- Full names and contact details of all adults with whom the child normally lives.
- Full names and contact details of all persons with parental responsibility (if different from above).
- Emergency contact details (if different from above).
- Full details of any other adult authorised by the parent to collect the child from academy (if different from the above).

Each Academy will retain this information on the pupil file. The academy will only share information about pupils with adults who have parental responsibility for a pupil or where a parent has given permission, and the academy has been supplied with the adult's full details in writing.

8.6 At EMAT we are working in partnership with Norfolk and Suffolk Constabularies and Norfolk and Suffolk Children's Services to identify and provide appropriate support to pupils who have experienced domestic violence in their household; this scheme is called Operation Encompass. In order to achieve this, Norfolk and Suffolk Multi-Agency Safeguarding Hubs will

share police information of all domestic incidents where one of our pupils has been present with the Designated Safeguarding Lead(s). On receipt of any information, the Designated Safeguarding Lead will decide on the appropriate support the child requires, this could be silent or overt. All information sharing and resulting actions will be undertaken in accordance with the 'Norfolk Joint Agency Protocol for Domestic Abuse – Notifications to Academics'. Or for Suffolk at <https://operationencompass.org/> We will record this information and store this information in accordance with the record keeping procedures outlined in this policy.

9. CHILD PROTECTION CONFERENCES

9.1 Children's Services will convene a Child Protection conference once a child protection enquiry under Section 47 of the Children Act 1989 has been undertaken and the child is judged to be at continuing risk of significant harm. A review conference will take place once a child has been made the subject of a Child Protection Plan in order to monitor the safety of the child and the required reduction in risk.

9.2 Staff members may be asked to attend a child protection conference or core group meetings on behalf of the academy in respect of individual children. Usually, the person representing the academy at these meetings will be the Principal or DSL. In any event, the person attending will need to have as much relevant up to date information about the child as possible; any member of staff may be required to contribute to this process.

9.3 All reports for child protection conferences will be prepared in advance using the [guidance](#) and [template report](#) provided by the Norfolk and Suffolk Safeguarding Children Partnership. The information contained in the report will be shared with parents before the conference as appropriate and will include information relating to the child's physical, emotional, and intellectual development and the child's presentation at academy. In order to complete such reports, all relevant information will be sought from staff working with the child in academy.

9.4 Clearly child protection conferences can be upsetting for parents. We recognise that we are likely to have more contact with parents than other professionals involved. We will work in an open and honest way with any parent whose child has been referred to Children's Services or whose child is subject to a child protection plan. Our responsibility is to promote the protection and welfare of all children and our aim is to achieve this in partnership with our parents.

10. SAFER RECRUITMENT

10.1 We will ensure that the Principal and at least one member of the Academy Committee have completed appropriate safer recruitment training. At all times the Principal, Academy Committee and Trust HR Team will ensure that safer recruitment practices are followed in accordance with the requirements of '*Keeping Children Safe in Education*', DfE (2024). At least one person involved in conducting an interview will have received safer recruitment training.

10.2 Within EMAT we will use the recruitment and selection process to deter and prevent people who are unsuitable to work with children from applying for or securing employment, or volunteering opportunities.

10.3 We require details of a candidate's present (or last) employment and reason for leaving; full employment history, (since leaving academy, including education, employment and voluntary work) including reasons for any gaps in employment and evidence of original academic certificates. We do not accept testimonials and insist on taking up references prior to interview. We will question the contents of application forms if we are unclear about them, and shortlisted candidates will be asked to complete a self-declaration of their criminal record or information that would make them unsuitable to work with children.

10.4 In our Academies we use a range of selection techniques to identify the most suitable person for the post. Structured questions are agreed by the interview panel and any potential areas of concern are explored to determine the applicant's suitability to work with children.

10.5 We will undertake Disclosure and Barring Service checks and other pre-employment checks as outlined in *'Keeping Children Safe in Education'* to ensure we are recruiting and selecting the most suitable people to work with our children.

10.6 We will maintain a Single Central Record (SCR) of all safer recruitment checks carried out in line with statutory requirements. A senior member of staff will check the SCR regularly with members from the HR Team to ensure that it meets statutory requirements.

10.7 In EMAT we recognise that safer recruitment is not just about carrying out the right DBS checks and is not limited to recruitment procedures. Therefore, we understand the importance of continuous vigilance, maintaining an environment that deters and prevents abuse and challenges inappropriate behaviour. Further information about all of these processes can be found in our Recruitment policy.

11. SAFER WORKING PRACTICE

11.1 All adults who come into contact with our children have a duty of care to safeguard and promote their welfare. There is a legal duty placed upon us to ensure that all adults who work with or on behalf of our children are competent, confident and safe to do so.

11.2 All staff will be provided with a copy of our Trust's code of conduct at induction. They will be expected to know our Trust's Code of Conduct and policy for positive handling and carry out their duties in accordance with this advice. There will be occasion when some form of physical contact is inevitable, for example if a child has an accident or is hurt or is in a situation of danger to themselves or others around them. However, at all times the agreed policy for safe restraint must be adhered to. A list of staff that have accessed Norfolk Steps training, Positive Handling Training or other Safer Handling training selected by the academy, will be kept by the Principal.

11.3 If staff, visitors, volunteers or parent helpers are working with children alone they will, wherever possible, be visible to other members of staff. They will be expected to inform another member of staff of their whereabouts in academy, who they are with and for how long. Doors, ideally, should have a clear glass panel in them and be left open.

11.4 Guidance about acceptable conduct and safe practice will be given to all staff and volunteers during induction. These are sensible steps that every adult should take in their daily professional conduct with children. This advice can be found in [‘Guidance for Safer Working Practices for Adults who work with Children and Young People in Education Settings’](#) (February 2022). All staff and volunteers are expected to carry out their work in accordance with this guidance and will be made aware that failure to do so could lead to disciplinary action.

12. MANAGING ALLEGATIONS AGAINST STAFF & VOLUNTEERS

Allegations that may meet the harms threshold

12.1 Our aim is to provide a safe and supportive environment which secures the wellbeing and very best outcomes for the children in our Trust. We do recognise that sometimes the behaviour of adults may lead to an allegation of abuse being made.

12.2 Allegations sometimes arise from a differing understanding of the same event, but when they occur, they are distressing and difficult for all concerned. We also recognise that many allegations are genuine and there are some adults who deliberately seek to harm or abuse children. We work to the thresholds for harm as set out in *‘Working Together to Safeguard Children’* (2023) and *‘Keeping Children Safe in Education’*, DfE (2024) below. An allegation may relate to a person who works / volunteers with children who has:

- behaved in a way that has harmed a child, or may have harmed a child and/or;
- possibly committed a criminal offence against or related to a child and/or;
- behaved towards a child or children in a way that indicates he or she may pose a risk of harm to children; and/or
- behaved or may have behaved in a way that indicates they may not be suitable to work with children.

The 4th bullet point above recognises circumstances where a member of staff (including supply teachers) or volunteer is involved in an incident outside of the academies which did not involve children but could have an impact on their suitability to work with children; this is known as transferrable risk.

12.3 In EMAT we recognise our responsibility to report / refer allegations or behaviours of concern and / or harm to children by adults in positions of trust

who are not employed by an individual Academy, or the Trust, to the LADO service directly at lado@norfolk.gov.uk or lado@suffolk.gov.uk These are adults such as those in the voluntary sector, taxi drivers, escorts, and fosters carers.

12.4 We will take all possible steps to safeguard our children and to ensure that the adults in our academies are safe to work with children. When concerns arise, we will always ensure that the procedures outlined in the local protocol [Allegations Against Persons who Work with Children](#) and Part 4 of *'Keeping Children Safe in Education'*, DfE (2024) are adhered to and will seek appropriate advice. The first point of contact for academies regarding concerns and/ or allegation issues (including for supply teachers) is via the Local Authority Education Duty Desk on 01603 307797. A Duty Advisor (not a LADO) will give advice and guidance on next steps. If the advice is to make a referral to the LADO service then the [LADO referral form](#) should be completed. The completed LADO referral form is then sent via e-mail to: LADO@norfolk.gov.uk. For Suffolk academies, they should use the guidance and forms found at <https://www.suffolksp.org.uk/working-withchildren-and-adults/children/local-authority-designated-officers-lado/> . See Appendix 4 for further details.

12.5 If an allegation is made or information is received about *any* adult who works/ volunteer in our setting which indicates that they may be unsuitable to work / volunteer with children, the member of staff receiving the information should inform the Principal immediately. This includes concerns relating to agency and supply staff and volunteers. Should an allegation be made against the Principal, this will be reported to the Chair of the Academy Committee. In the event that neither the Principal nor Chair of the Academy Committee is not contactable on that day, the information must be passed to and dealt with by either the member of staff acting as Principal or the Vice Chair of Governors.

12.6 The Principal or Chair of the Academy Committee will seek advice from the LADO within one working day. No member of staff or the Academy Committee will undertake further investigations before receiving advice from the LADO.

12.7 When using a supply agency, we inform the agency of our process for managing allegations against staff and keep them up to date with any policy developments. Where concerns are raised about an individual and the academy is not their employer, we recognise that we still have responsibility to ensure allegations are dealt with properly. In order to achieve this, we will liaise with relevant parties including the LADO to determine a suitable outcome. Whilst the supply agency should be fully involved and co-operate with any enquiries from the LADO, police and/or children's services, we recognise that the Academy will usually take the lead in conducting an investigation as we have direct access to any affected children and other academy staff to collect the facts.

12.8 Any member of staff or volunteer who does not feel confident to raise their concerns with the Principal or Chair of the Academy Committee should contact the LADO directly via email to lado@norfolk.gov.uk. Or lado@suffolk.gov.uk

12.9 Further [information and guidance documents in relation to the LADO process](#), forms, leaflets and the Allegations against Persons who Work/Volunteer with Children Procedures are found on the Norfolk and Suffolk Safeguarding Children Partnership website. Further national guidance can be found at: [Advice on whistleblowing](#). The [NSPCC whistleblowing helpline](#) is also available for staff who do not feel able to raise concerns regarding child protection failures internally. Staff can call: 0800 028 0285 – the line is available from 8:00am to 8:00pm, Monday to Friday or via e-mail: help@nspcc.org.uk.

12.10 Each Academy has a legal duty to refer to the Disclosure and Barring Service, through the Trust Central HR Team, anyone who has harmed, or poses a risk of harm, to a child, or if there is reason to believe the member of staff has committed one of a number of listed offences, and who has been removed from working (paid or unpaid) in regulated activity or would have been removed had they not left. The DBS will consider whether to bar the person. If these circumstances arise in relation to a member of staff at our academy, a referral will be made as soon as possible after the resignation or removal of the individual in accordance with advice from the LADO and/or HR Lead. The Trust must also consider whether to refer the case to the Secretary of State (via the Teaching Regulation Agency) if a teacher is dismissed or the setting ceases to use the services of a teacher because of serious misconduct or might have dismissed them or ceased to use their services had they not left first.

Concerns that do not meet the harm threshold

12.11 The term 'low-level' concern does not mean that it is insignificant, it means that the behaviour towards a child does not meet the thresholds as stated above, the 'low level' concern process is to consult with the Local Authority Education Duty Desk for advice in the first instance.

At EMAT we recognise a low-level concern to be something which is

- inconsistent with the staff code of conduct, including inappropriate conduct outside of work; and
- does not meet the allegations threshold or is otherwise not considered serious enough to consider a referral to the LADO.

12.12 Within EMAT we promote an open and transparent culture in which all concerns about all adults working in or on behalf of each academy (including supply teachers, volunteers and contractors) are dealt with promptly and appropriately. Through training, staff are made aware of what low level concerns are and understand the importance of reporting and these types of concerns in writing.

12.13 Across EMAT staff report all low level concerns to the DSL OR to the Principal as reflected in the local policy. If reported to the DSL then the DSL will inform the Principal of the concern in a timely fashion. The Principal will always be the ultimate decision maker in respect of all low-level concerns.

12.14 Through training and induction, we ensure that all staff understand the importance of self-referring, where, for example, they have found themselves in a situation which could be misinterpreted, might appear compromising to others, and/or on reflection they believe they have behaved in such a way that they consider falls below the expected professional standards.

12.15 Within our academies we understand the importance of recording low-level concerns and the actions taken in light of these being reported. The records are kept confidential and stored securely. We will review the records we hold to identify potential patterns and take action. This could be through a disciplinary process but also by referring to the appropriate Local Authority Education Duty Desk. Please note, where a child, parent/carer or staff member makes an allegation of harm, this will not be considered as a 'low level' concern without consultation with the Local Authority Education Duty Desk or the LADO service directly.

12.16 We recognise that low level concerns should not be included in references unless they relate to issues which would normally be included in a reference, for example, misconduct or poor performance. However, where a low-level concern (or group of concerns) has met the threshold for referral to the LADO and found to be substantiated, it should be referred to in a reference.

13. Use of premises for non-academy/college activities

13.1 Where we hire or rent out our facilities/premises to organisations or individuals (for example to community groups, sports associations, and service providers to run community or extra-curricular activities) we ensure that appropriate arrangements as per the DfE guidance [After-academy clubs, community activities and tuition: safeguarding guidance for providers](#) are in place to keep children safe.

13.2 We will seek assurances that the body concerned has appropriate safeguarding and child protection policies and procedures in place (including inspecting these as needed). Safeguarding requirements are included in any transfer of control agreement (i.e. lease or hire agreement), as a condition of use and occupation of the premises; and that failure to comply with this would lead to termination of the agreement.

13.3 If an allegation is made relating to an incident that happened when an individual or organisation was using academy premises for non-academy/college activities, we will follow the safeguarding policies and procedures, included in section 12 above.

14 RELEVANT POLICIES

14.1 To underpin the values and ethos of our academy and our intent to ensure that pupils at our academy are appropriately safeguarded the following policies are also included under our safeguarding umbrella:

- EMAT Staff Code of Conduct
- Anti-Bullying
- Behaviour which includes measures to prevent bullying (including cyberbullying, prejudice-based and discriminatory bullying)
- EMAT Recruitment which adheres to Part 3 of [‘Keeping Children Safe in Education’](#).
- EMAT Whistleblowing

Appendix 2: Safeguarding Induction Sheet for new or supply staff and regular visitors or volunteers.

We all have a statutory duty to safeguard and promote the welfare of children, and at our academy we take this responsibility seriously.

If you have any concerns about a child or young person in our academy, you must share this information immediately with our Designated Safeguarding Lead (DSL) or one of the alternate post holders.

Do not think that your worry is insignificant if it is about hygiene, appearance or behaviour – we would rather you told us as we would rather know about something that appears small than miss a worrying situation.

If you think the matter is very serious and may be related to child protection, for example, physical, emotional, sexual abuse or neglect, you must find one of the designated professionals detailed below and provide them with a written record of your concern. A copy of the form to complete is attached to this and others can be obtained from the school office. Please ensure you complete all sections as described.

If you are unable to locate a DSL, ask a member of the academy office staff to find them and to ask them to speak with you immediately about a confidential and urgent matter.

Any allegation or low-level concern about a member of staff, a child's foster carer or a volunteer should be reported immediately to the Principal. If an allegation is made about the Principal you should pass this information to the Chair of the Governing Board. Alternatively, you can contact the Local Authority Designated Officer on 0300 123 2044. [NSPCC whistleblowing helpline](#) is also available for staff who do not feel able to raise concerns regarding child protection failures internally. Staff can call: 0800 028 0285 – the line is available from 8:00am to 8:00pm, Monday to Friday or via e-mail: help@nspcc.org.uk.

The people you should talk to in the academy are:
Designated Safeguarding Lead (DSL): Tracey McCarthy
Location of office: The Aviary
Contact Number: 01842 811580

Deputy Designated Lead: Liz Peck
Location of office: The Aviary or Y2 Classroom (Robins Class)
Contact Number: 01842 811580

Deputy Designated Lead: Kieron McDonald
Location of office: The Aviary or Y6 Classroom (Ravens Class)
Contact Number: 01842 811580

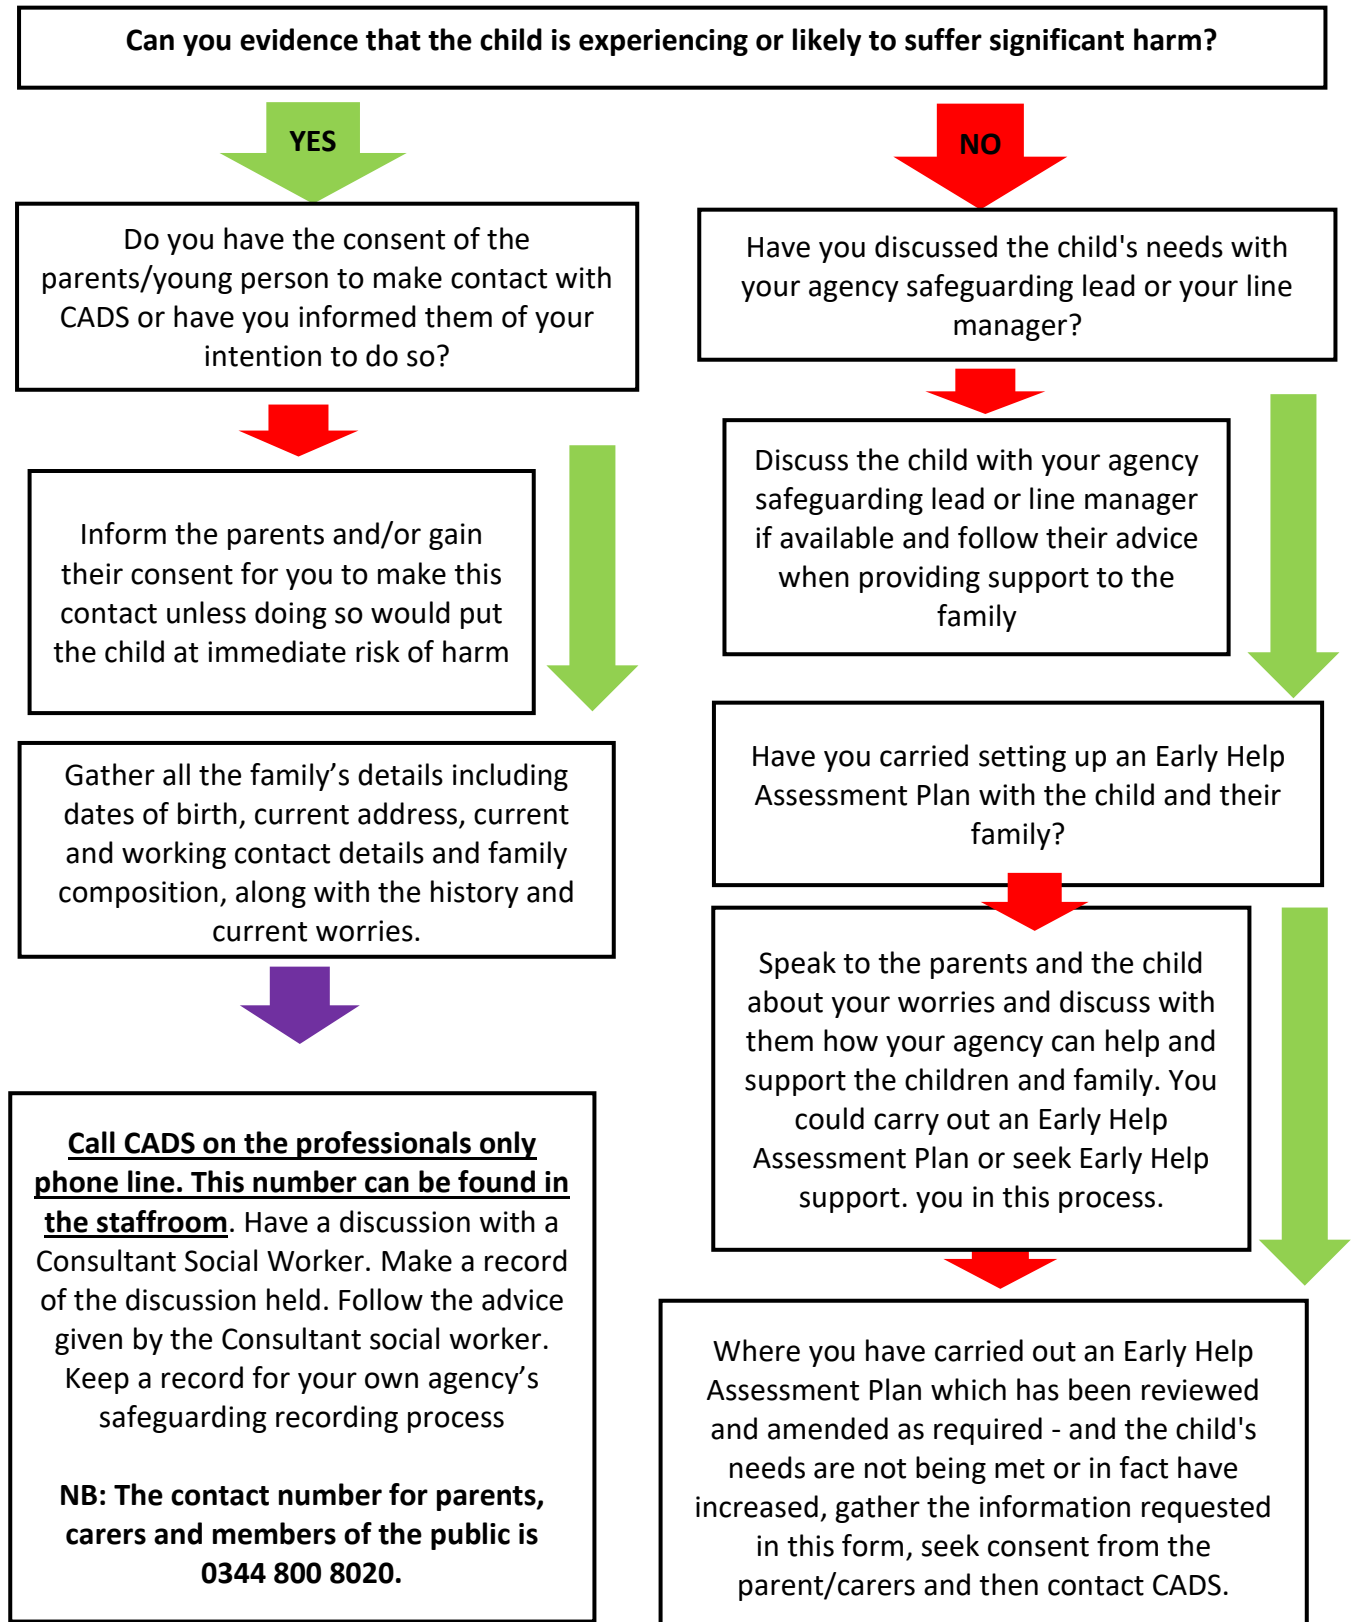

Chair of Governing Board: Maureen Eade
Contact Number: 01842 811580

At Glade Academy we strive to safeguard and promote the welfare of all our children.

Children's Advice and Duty Service- CADS

Before contacting CADS, please answer the following questions and follow the advice provided:

Local Safeguarding Procedures for a child with a Suffolk address

Multi Agency Safeguarding Hub- MASH (0345 606 1499)

Before contacting MASH, please answer the following questions and follow the advice provided:

Can you evidence that the child is experiencing or likely to suffer significant harm?

YES

Do you have the consent of the parents/young person to make contact with MASH or have you informed them of your intention to do so?

Inform the parents and/or gain their consent for you to make this contact unless doing so would put the child at risk.

Gather all the family's details including dates of birth, current address, current and working contact details and family composition, along with the history and current worries.

Call MASH on the phone line. This number can be found in the staffroom. Have a discussion with a Consultant Social Worker. A copy of the discussion will be securely emailed or posted to you. Follow the advice given by the Consultant social worker. Keep a record for your own agency's safeguarding recording process NB: The contact number is 0345 606 1499.

NO

Have you discussed the child's needs with your agency safeguarding lead or your line manager?

Discuss the child with your agency safeguarding lead or line manager if available and follow their advice when providing support to the family

Have you considered setting up an FSP or Have you carried out an Early Help assessment and/or Early Help Plan with the child and their family?

Speak to the parents and the child about your worries and discuss with them how your agency can help and support the children and family. You could carry out an FSP, an Early Help Assessment or seek Early Help support. Follow the Early Help guidance on the SSP website to support you in this process.

Where you have carried out an Early Help Assessment and Plan which has been reviewed and amended as required - and the child's needs are not being met or in fact have increased, gather the information requested in this form and then contact MASH

Appendix 4: Advice for academies, colleges and alternative education providers where there are concerns about an adult who works within the setting.

If you have a safeguarding concern about an adult working within Glade Academy, you should request an urgent discussion with the principal (Tracey McCarthy).

If you do not feel able to do this, you can call the Local Authority Designated Officer on 0300 123 2044.

Concerns about an adult?

If you genuinely believe that something may be wrong, even if you are not absolutely sure, we want to know.

In the first instance, please raise the issue with your Principal, or the Chair of Governors (Maureen Eade).

If you feel you can't do that, please contact the LADO by email or phone LADO@suffolk.gov.uk 0300 123 2044 Suffolk Safeguarding Partnership

[NSPCC whistleblowing helpline](#) is also available for staff who do not feel able to raise concerns regarding child protection failures internally. Staff can call: 0800 028 0285 – the line is available from 8:00am to 8:00pm, Monday to Friday or via e-mail: help@nspcc.org.uk.

If you have a safeguarding concern about the headteacher, you can speak to Maureen Eade, the Chair of the academy's local governing body – you can request her contact details from the school office, or from the academy's clerk Penny Folkard (Penny.Folkard@norfolk.gov.uk).

Policy for Safeguarding incorporating Child Protection Annex A

Academy-specific information

To be completed and published on individual academy websites. The local AC must approve Annex A at the first meeting of each new academic year:

Academy-specific information must include the following, relevant to the current academic year:

- The academy should include a section here that explicitly identifies how the **curriculum**, and other provision, is used to provide activities and opportunities for children to develop the skills they need to identify risks and stay safe. This will also be extended to include material that will encourage our children to develop essential life skills. Teaching pupils about how to stay safe and behave online, including identifying risks and how and when to seek support is crucial.
- **Insert information** about other mechanisms in place in your academy to ensure that all staff and volunteers understand and discharge their role and responsibilities as set out in Part one of Keeping Children Safe in Education
- **Name the DSL responsible for Filtering and Monitoring the IT system in the academy**
- **Describe** how you inform temporary staff & volunteers of your safeguarding procedures e.g.: leaflets, Safeguarding induction prior to volunteering
- Each academy should **include a section** that explicitly identifies their specific responses to children who are absent from education - for example home visits, referral to Parent Support Advisor, attendance panel meetings with parents and carers etc.
- Any further explanation specific to the academy which will help colleagues to make a safeguarding referral
- Academy-branded version of the referral form
- **Summary** of important responsibilities for every member of staff
- **Key contact details** including those of the safeguarding lead, deputy DSLs and safeguarding governor and the nature of their responsibilities
- Notice re contact with pupils outside academy hours
- Any information routinely given to visitors to support safeguarding
- Any other relevant information relating to the operation of safeguarding within the academy
- **Include a list of all Multi-Agencies and external groups** who support safeguarding in the academy. Ensure there is at least one contact point for each for out of hours use for parents

Appendix 5: Arrangements for Safeguarding and Child Protection at Glade Academy

This addendum to our Safeguarding and Child Protection Policy contains additional information about our safeguarding arrangements in the following areas:

- 5.1 Context and information on how our curriculum, and other provision, is used to provide activities and opportunities for children to develop the skills they need to identify risks and stay safe. This includes material that will encourage our children to develop essential life skills and teaches pupils about how to stay safe and behave online, including identifying risks and how and when to seek support
- 5.2 Key Contact Information
- 5.3 Vulnerable children
- 5.4 Attendance monitoring
- 5.5 Designated Safeguarding Lead
- 5.6 Reporting a concern
- 5.7 Staff Safeguarding Training and induction
- 5.8 Safer recruitment/volunteers and movement of staff
- 5.09 Online safety
- 5.10 Mental Health
- 5.11 Notice regarding contact with children outside school hours
- 5.12 Academy branded version of the referral form

We recognise that our safeguarding responsibilities are clearly linked to our responsibilities for ensuring that appropriate safeguarding responses are in place for children who are absent from the academy or who go missing from education:

- We operate a 'First Day Calling' policy, and endeavour to call all parents and carers of children absent from school by 9.30am each morning, if we have not heard from them before this point;
- We review attendance across the school at regular intervals (at least fortnightly, and more frequently than this for children whose patterns of attendance are a cause for concern), focusing on any child whose attendance is less than 95%...we follow up these reviews with meetings with parents, letters, phonecalls and fixed penalty referrals to the LA as appropriate;
- We follow Suffolk's procedures for Children Missing in Education;
- We recognise the different forms that peer on peer abuse, including sexting, can take and will ensure it is not tolerated within our academy having procedures in place to minimise this form of abuse. We also recognise that safeguarding against radicalisation and extremism is no different to safeguarding against any other vulnerability in today's society.

5.1 Context

It is crucial that all staff and volunteers understand the importance of acting immediately on any safeguarding concerns that arise. This guidance has been developed to give clear direction to staff, volunteers, visitors and parents about our safeguarding procedures. This appendix should be read in conjunction with the whole school safeguarding policy and not as a standalone document. Unless otherwise stated within this guidance, our normal safeguarding procedures should be adhered to.

The purpose of Glade Academy's safeguarding policy is to ensure every child who is a registered pupil at our academy is safe and protected from harm. This means we will always work to:

- Protect children and young people at our academy from maltreatment;
- Prevent impairment of our children's and young people's health or development;
- Ensure that children and young people at our academy grow up in circumstances consistent with the provision of safe and effective care;
- Undertake that role so as to enable children and young people at our academy to have the best outcomes.
- This policy will give clear direction to staff, volunteers, visitors and parents about expected behaviour and our legal responsibility to safeguard and promote the welfare of all children at our academy.
- Our academy fully recognises the contribution it can make to protect children from harm and support and promote the welfare of all children who are registered pupils at our academy. The elements of our policy are prevention, protection and support.
- This policy applies to all pupils, staff, parents, governors, volunteers and visitors.

OUR ETHOS

The child's welfare is of paramount importance. Our academy will establish and maintain an ethos where pupils feel secure, are encouraged to talk, are listened to and are safe. Children at our academy will be able to talk freely to any member of staff at our academy if they are worried or concerned about something.

Everyone who comes into contact with children and their families has a role to play in safeguarding children. We recognise that staff at our academy play a particularly important role as they are in a position to identify concerns early and provide help for children to prevent concerns from escalating. **All staff are advised to maintain an attitude of 'it could happen here' where safeguarding is concerned.**

All staff and regular visitors will, through training and induction, know how to recognise indicators of concern, how to respond to a disclosure from a child and how to record and report this information. We will not make promises to

any child and we will not keep secrets. Every child will know what the adult may have to do with any information they have chosen to disclose.

All adults who come into our academy are aware of our procedures relating to Safeguarding as posters are displayed prominently in all areas – including in the adults' toilets.

Our Safeguarding procedures, and our expectations around this also form a key part of our induction process.

Throughout our curriculum we will provide activities and opportunities for children to develop the skills they need to identify risks and stay safe. This will also be extended to include material that will encourage our children to develop essential life skills:

- ✓ Children study a unit of work linked to British Values, democracy, rights and safety each year. These Citizenship units include themes such as Local democracy, refugees and asylum seekers, rules and laws, children's rights and human rights and responsibility. Children also study a unit on either racism, or gender stereotypes and homophobia depending on their age.
- ✓ Children also study another unit of work solely focussed on leading healthy and safe lifestyles. This includes healthy eating and exercise, bullying and assertiveness, safety in the home, fire safety, road safety and essential first aid skills.
- ✓ Our Drug, and Relationship and Sex Education programmes are developed in partnership with Healthy Schools. These programmes are delivered in such a way that both pupils and parents are provided with the opportunities to discuss issues or worries in a safe and accepting environment.
- ✓ As well as an on-going dialogue where appropriate about E-safety we deliver dedicated lessons at the beginning of each year so that children understand the risks associated with the Internet, console games and social media. We provide E-safety links on our website for the benefit of our children and parents and regular E-safety workshops for our parents and carers.
- ✓ Whilst keeping safe is taught explicitly, the whole school ethos reflects safety, responsibility and respect between adults and children. We openly discuss with pupils how school rules and procedures keep them safe and what to do if they feel unsafe or see anything which worries them in or out of school.
- ✓ Children are also given the opportunity to discuss anything which is worrying them with any member of staff either by visiting them during the day or by dropping a note into their class's 'Listening Box'.

At all times we will work in partnership and endeavour to establish effective working relationships with parents, carers and colleagues from other agencies in line with '[Working Together to Safeguard Children](#) DfE (July 2018)

All staff and volunteers at Glade Academy know that they are responsible for upholding our expectations in relation to Safeguarding children whilst at school, and at all times whilst conducting their lives away from school. They must always be mindful of how their actions, and inactions, may be perceived by others, and they must always follow the school's guidance and expectations in relation to Safeguarding children.

5.2 Key Contact Information:

Principal	Tracey McCarthy	01842 811580
Named Safeguarding Governor	Annmarie Cheshire	01842 811580
Chair of Academy Council	Maureen Eade	EMAT Trust Offices

5.3 Vulnerable Children

For the purposes of this guidance, vulnerable children include those who have a social worker and those children and young people up to the age of 25 with EHC plans, in line with the [DfE guidance](#).

At all EMAT Academies we will be especially conscious of the needs of all pupils with an EHC plan in consultation with the Local Authority and parents.

At EMAT Academies, our Designated Safeguarding Leads and other Senior Leaders will work with and support children's social workers to help protect vulnerable children. This includes working with and supporting children's social workers and the local authority Virtual School Head (VSH) for looked-after and previously looked-after children.

Our Designated Safeguarding Leads know who our most vulnerable children are.

5.4 Attendance monitoring

If a child does not arrive at school we follow this process:

- Office staff will carry out 'First day calling' following our standard procedures;
- If the child is vulnerable, Office staff will then ensure that the most senior member of staff on-site is aware of the outcome of their phonecall...this will be logged;
- If the child has an allocated social worker, or member of the early help team, they will be notified that the child is not in school and of the outcome of first day calling;
- If office staff have been unable to contact the child's family / carers, admin and pastoral staff will continue to try throughout the morning, keeping the most senior member of staff on-site informed;
- If the school is still unable to contact the family by lunch time, then the most senior member of staff on-site will ask another member of staff to accompany them on a home visit.

To enable us to effectively support the attendance of all children, we will ask parents/carers to confirm that emergency contact numbers are correct and ask for any additional emergency contact numbers where they are available.

Where concerns are flagged around a child's attendance through one of our fortnightly attendance meetings (or in addition to these meetings) relevant staff will discuss these concerns and agree on a plan of action, which could include:

- A phone call to the parents / carers;
- A verbal conversation with the parents / carers;
- A letter written to the parents / carers;
- A meeting with the parents / carers;
- The setting up of an attendance contract with the parents / carers;
- Wishes and feelings work being carried out with the child/ren;
- Support for the family;
- A referral being made to the LA for a fixed penalty notice.

5.5 The Designated Safeguarding Lead at Glade Academy

We have identified key designated contacts for safeguarding at our school in section 5.2. of this guidance.

At all EMAT Academies we aim to have a trained DSL (or deputy) available onsite whenever possible.

Where a trained DSL or deputy is not on site, a senior leader will take responsibility for co-ordinating safeguarding arrangements in place on-site. This might include updating and managing access to child protection / our online safeguarding management information system, liaising with the off-site DSL (and/or deputy) and, as necessary, liaising with children's social workers where they require access to children in need and/or to carry out statutory assessments at the academy.

We will ensure that all staff and volunteers know how to contact and have access to advice from a trained DSL (or deputy).

We will work in partnership with children, parents and other agencies to safeguard and promote the welfare of children. Our DSLs will keep up to date with the latest [Norfolk/Suffolk Safeguarding Children Partnership advice](#) and guidance from the [LA](#). Our DSLs will engage with social workers, and attend all multi-agency meetings, contributing to [child protection conferences](#) and [Developing Child Protection Plans](#).

Role of the designated safeguarding lead.

The designated safeguarding lead should take lead responsibility for safeguarding and child protection.

Glade Academy has the following designated safeguarding leads (and deputies):

Our DSL is Tracey McCarthy.

Our Deputy DSLs are Liz Peck and Kieron McDonald.

Manage Referrals

The designated safeguarding lead is expected to:

- Refer cases of suspected abuse to the local authority children's social care as required
- Support staff who make referrals to local authority children's social care
- Refer cases to the Channel programme
- Support staff who make referrals to the Channel programme
- Refer cases where a person is dismissed or has left due to risk/harm to a child to the Disclosure and Barring service as required; and
- Refer cases where a crime may have been committed to the police as required.

Work with others

- Liaise with the principal to inform her of issues especially ongoing enquiries under section 47 of the Children Act 1989 and police investigations
- As required, liaise with the "case manager" (as per part four of Keeping Children Safe in Education) and the designated officer(s) at the local authority for child protection concerns (all cases which concern a staff member); and
- Liaise with staff on matters of safety and safeguarding and when deciding whether to make a referral by liaising with relevant agencies. Act as a source of support and advice and expertise for staff.

Training

The designated safeguarding lead (and any deputies) should undergo training to provide them with the knowledge and skills required to carry out the role. This training should be updated at least every two years.

The designated safeguarding lead should undertake Prevent awareness training.

In addition to the formal training set out above, their knowledge and skills should be refreshed (this may be via e-bulletins, meeting other designated safeguarding leads, or simply taking time to read and digest safeguarding

developments) at regular intervals, as required but at least annually, to allow them to understand and keep up with any developments relevant to their role so they:

- Understand the assessment process for providing early help and intervention, for example through locally agreed common and shared assessment processes such as early help assessments
- Have a working knowledge of how local authorities conduct a child protection case conference and a child protection review conference and be able to attend and contribute to these effectively when required to do so
- Ensure each member of staff has access to and understands the school or colleges child protection policy and procedures, especially new and part time staff
- Are alert to the specific needs of children in need, those with special educational needs and young carers
- Are able to keep detailed, accurate, secure written records of concerns and referrals
- Understand and support the school with regards to the requirements of the Prevent duty and are able to provide advice and support to staff on protecting children from the risk of radicalisation
- Obtain access to resources and attend any relevant or refresher training courses and
- Encourage a culture of listening to children and taking account of their wishes and feelings, among all staff, in measures the school may put in place to protect them.

Raise Awareness

The designated safeguarding lead should:

- Ensure the school's child protection policies are known, understood and used appropriately
- Ensure the school's child protection policy is reviewed annually (as a minimum) and the procedures and implementation are updated and reviewed regularly, and work with governing bodies and proprietors regarding this.
- Ensure the child protection policy is available publicly and parents are aware of the fact that referrals about suspected abuse or neglect may be made and the role of the school in this; and
- Link with the local LSCB to make sure staff are aware of training opportunities and the latest local policies on safeguarding.

Child protection file

Where children leave the school ensure their child protection file is transferred to the new school as soon as possible. This should be transferred separately from the main pupil file, ensuring secure transit and confirmation of receipt should be obtained.

Availability

During term time the designated safeguarding lead (or a deputy) will always be available (during school hours) for staff in the school to discuss any safeguarding concerns.

Out of hours designated safeguarding leads are Tracey McCarthy, Liz Peck and Kieron McDonald and can be contacted on their mobile phones or school email, and through the electronic CPOMs system.

5.6 Procedures for Reporting Concerns

The principles for responding to safeguarding concerns as outlined in Section 5 of the main body of the safeguarding policy still apply. When concerned about the welfare of a child, staff members should always act in the interests of the child and have a responsibility to take action as outlined in this policy.

All concerns should be reported immediately and without delay in line with our usual procedures.

It is important that all staff who interact with children, including online, look out for signs a child may be at risk including at risk from child on child abuse and exploitation. Any such concerns should be dealt with as per the child protection policy and where appropriate referrals should still be made to children's social care and as required the police.

If a member of staff has a concern they should log their concern on CPOMs and let the DSL know that they have done this. If they do not have access to CPOMs they should use one of the school's yellow Safeguarding forms, available in both the staffroom and the school office, filling in all relevant sections. They should then pass this form directly to the DSL.

Staff are also reminded of the need to adhere to our Staff Code of Conduct and safer working practice [guidance](#). Staff should report any concerns they have about adults who are working with children in line with Section 12 of the safeguarding policy.

5.7 Staff Training and induction

All existing staff and volunteers have received a safeguarding induction and training. They have read part 1 and section A of '*Keeping Children Safe in Education*' (2022) and are expected to continue to follow this guidance.

Where new staff are recruited, or new volunteers join our academy, they will be provided with a safeguarding induction as outlined in Section 4 of the main policy.

If staff are deployed from another education or children's workforce setting to work in our academy, we will verify that they have received safeguarding training and they will be given a copy of our safeguarding policy and information about our procedures including information about our DSL arrangements.

5.8 Safer recruitment of staff & volunteers and movement of staff

It is essential that people who are unsuitable are not allowed to enter the children's workforce or gain access to children. When recruiting new staff, we will follow our safer recruitment and selection policy, the procedures outlined in Section 10 of the safeguarding policy and Part 3 of '*Keeping Children Safe in Education*' (2022).

Where we use volunteers in our school, we will continue to follow the checking and risk assessment processes as set out in KCSIE and our own safer recruitment and selection policy. Under no circumstances will a volunteer who has not been checked be left unsupervised or allowed to work in regulated activity.

If staff are deployed from another education or children's workforce setting to work in our academy, we will risk assess the movement of staff and seek written assurances from the current employer that the individual has undergone all the safer recruitment required checks as set out in Part 3 of KCSIE and there are no concerns about their suitability to work with children.

At all EMAT Academies we will follow the legal duty to refer to the DBS anyone who has harmed or poses a risk of harm to a child or vulnerable adult in accordance with '*Keeping Children Safe in Education*' (2022). We will also make referrals to the Teaching Regulation Agency (TRA) in line with statutory guidance.

We will keep the single central record (SCR) up to date and use this as a means to log everyone that will be working or volunteering in our academy on any given day, including any staff who may be on loan from other institutions. The SCR will also be used to log details of any risk assessments carried out on volunteers and staff on loan from elsewhere.

5.9 Online Safety

At all EMAT Academies we recognise that it is more important than ever that we provide a safe environment for pupils including online. We will continue to ensure that appropriate filters and monitoring systems are in place to protect children when they are online via our IT systems and/or recommended resources.

The safety of pupils when they are asked to work online is of paramount importance. The same principles as set out in our staff code of conduct must be applied to all online teaching. All staff should ensure that they have read the staff code of conduct, associated [safer working practice guidance](#) and are clear about the acceptable use of technologies, staff pupil/student relationships and communication including the use of social media.

We will ensure any use of online learning tools and systems is in line with privacy and data protection/GDPR requirements.

We will ensure that children who are being asked to work online have very clear reporting routes in place so they can raise any concerns whilst online. As well as reporting routes to key school staff, we will also signpost children to age appropriate practical support from external organisations such as:

- [Childline](#) - for support
- [UK Safer Internet Centre](#) - to report and remove harmful online content
- [CEOP](#) - for advice on making a report about online abuse

We will also communicate with parents to reinforce the importance of children being safe online. We will ensure that parents and carers are aware of what their children are being asked to do online, including the sites they will be asked to access as well as who from the academy (if anyone) their child is going to be interacting with online.

Where parents and carers choose to supplement the academy's online offer with support from online companies and in some cases individual tutors, we will emphasise the importance of securing online support from a reputable organisation/individual who can provide evidence that they are safe and can be trusted to have access to children.

We will signpost parents and carers to advice what will help them keep their children safe online including:

- [Thinkuknow](#) provides advice from the National Crime Agency (NCA) on staying safe online.
- [Parent info](#) is a collaboration between Parentzone and the NCA providing support and guidance for parents from leading experts and organisations.
- [Childnet](#) offers a toolkit to support parents and carers of children of any age to start discussions about their online life, to set boundaries around online behaviour and technology use, and to find out where to get more help and support.

- [Internet Matters](#) provides age-specific online safety checklists, guides on how to set parental controls on a range of devices, and a host of practical tips to help children get the most out of their digital world.
- [London Grid for Learning](#) has support for parents and carers to keep their children safe online, including tips to keep primary aged children safe online.
- [Let's Talk About It](#) has advice for parents and carers to keep children safe from online radicalisation.
- [UK Safer Internet Centre](#) has tips, advice, guides and other resources to help keep children safe online, including parental controls offered by home internet providers and safety tools on social networks and other online services.

5.10 Mental Health

At all EMAT Academies we recognise that negative experiences and distressing life events can affect the mental health of children and their parents; we will ensure appropriate support is in place for them.

We will ensure that staff understand that mental health issues can bring about changes in a child's behaviour or emotional state which can be displayed in a range of different ways, all of which could be an indication of an underlying problem. DSLs will make reference to the DfE guidance [Mental health and behaviour in schools](#) to help identify children who might need additional support, and to put this support in place.

5.11 Notice regarding contact with school pupils outside school hours:

The need for information of this nature **applies to:**

- all employees at Glade Academy;
- any form of contact outside the usual work context between staff and students or their families. This includes non-direct contact such as telephone, via text message, email or on social networking sites.
- contact outside the usual work context between staff and former students, including those who have grown to adults.

This information cannot cover all situations. Staff at times will be required to exercise their professional judgment and should seek guidance and support from the Principal, or from a Deputy DSL, if he or she is unsure as to how to handle a situation.

Depending on the circumstances, inappropriate contact and/or a failure to follow advice will be treated seriously and could lead to the initiation of the Safeguarding procedures of the Local Authority and to disciplinary action.

If the Principal is unsure as to how to handle a situation within the context of this information, she should discuss her concerns with HR in the first instance.

It is the policy of Glade Academy that there will be no personal contact other than in certain exceptional circumstances, between staff and current or former students outside the normal working environment. Examples of exceptional circumstances could include: sporting activities, organised social circumstances (such as organised sports events, shared interests such as volunteering or scouts, or if their own child attends Glade Academy). Guidance on Safer Working Practice is explicit that **staff should not establish or seek to establish social contact with students for the purpose of securing friendship or to pursue or strengthen a relationship**. The reasons for this are:-

- Such contact can blur the professional boundaries between the staff member and student
- Such contact can compromise confidentiality
- Such contact can place both student and the staff member in a position of vulnerability
- Students at the academy may struggle to differentiate between the role of staff member and friend. They may therefore have expectations which the staff member cannot fulfil.
- Such contact could be considered rightly or wrongly as grooming.

1. INTENDED CONTACT

- a. In many cases contact outside the working environment is normal. For example, where staff have their own children at school; their friends are visiting or where private tuition is provided.
- b. **Any proposed work-related contact, outside of the normal working environment, must be agreed in advance by the Principal**, (for example private tuition). If agreed, a record of this must be kept on the staff members' personal file and the student's file. The record must set out reasons for the proposed contact.
- c. All such contact must also be monitored by the member of staff's line manager and the Principal.
- d. For situations involving former students - see Clause 5.

2. UNPLANNED CONTACT

- a. Unplanned or unexpected contact with students, with whom a member of staff may or may not have on-going professional contact, is inevitable at some point and this should be of a minimal nature (e.g. a brief greeting in the street).

3. CONTACT WITH CURRENT STUDENTS WITHIN THE ACADEMY

3.1 Copies of any correspondence received by a member of staff should be drawn to the attention of their line manager and the Principal and filed with any response in the appropriate school's records system.

3.2 The Academy internal email system and computer equipment should only be used in accordance with the Academy's I.T. policy and the internal email system shall be the sole means of email contact between staff and students in the Academy.

3.3 Staff should be cautious when using social networking sites outside of work and avoid publishing, or allowing to be published, any material, including comments or images, that could damage their professional reputation and/or bring the Academy into disrepute.

Staff should be strongly advised to set their profile as 'private' and not allow access to students, their families and or carers.

Staff should also be mindful that requirements in relation to maintaining the confidentiality of students, their families, colleagues and the Academy itself apply to all forms of communication, including that which takes place on social networking sites.

3.4 Staff should not give their personal details, such as home or personal mobile phone number; home or personal email addresses to students, unless the need to do so is agreed in advance with the Principal. Any ongoing contact from the student outside of the agreed contact should be reported immediately to the Principal by the staff member involved.

4. CONTACT WITH FORMER STUDENTS

4.1 In some circumstances, former students may make contact with a member of staff. This may occur even when they have grown to adults. For example, situations where staff remain in contact with former students who have moved on to High School, who attend university or who have been placed in care or adopted.

4.2 In these situations, members of staff must take account of the fact that they are Academy employees and therefore have a responsibility as a member of staff and that young people may struggle to differentiate between the roles of staff member and friend.

Staff members must always discuss any such significant contact with their current line manager and the Principal and seek advice on how to manage any future contact.

The sole means of email contact between staff and former students of the Academy shall be through the Academy email system for the member of staff and not using any staff home or personal email address.

4.3 If a former student requires assistance or some form of help that lies outside the Academy, they should be signposted to relevant services. However, if the Principal agrees that further contact with the staff member is relevant and appropriate, a clear plan of involvement, including outcomes expected and timescales must be drawn up and agreed by the Principal.

4.4 In these circumstances, the Principal must ensure that adequate support/supervision is available to the staff member and ensure that all such contacts and plans are recorded and that other appropriate agencies are involved.

Safeguarding Induction Sheet for new or supply staff and regular visitors or volunteers.

We all have a statutory duty to safeguard and promote the welfare of children, and at our academy we take this responsibility seriously.

If you have any concerns about a child or young person in our academy, you must share this information immediately with our Designated Safeguarding Lead (DSL) or one of the alternate post holders.

Do not think that your worry is insignificant if it is about hygiene, appearance or behaviour – we would rather you told us as we would rather know about something that appears small than miss a worrying situation.

If you think the matter is very serious and may be related to child protection, for example, physical, emotional, sexual abuse or neglect, you must find one of the designated professionals detailed below and provide them with a written record of your concern. A copy of the form to complete is attached to this and others can be obtained from the school office. Please ensure you complete all sections as described.

If you are unable to locate a DSL, ask a member of the academy office staff to find them and to ask them to speak with you immediately about a confidential and urgent matter.

Any allegation or low-level concern about a member of staff, a child's foster carer or a volunteer should be reported immediately to the Principal. If an allegation is made about the Principal you should pass this information to the Chair of the Governing Board. Alternatively, you can contact the Local Authority Designated Officer on 0300 123 2044. [NSPCC whistleblowing helpline](#) is also available for staff who do not feel able to raise concerns regarding child protection failures internally. Staff can call: 0800 028 0285 – the line is available from 8:00am to 8:00pm, Monday to Friday or via e-mail: help@nspcc.org.uk.

The people you should talk to in the academy are:

At Glade Academy we strive to safeguard and promote the welfare of all our children.

Early Help at Glade Academy

Early Help Intervention	Summary Of Intervention at Glade Academy
Class Teacher	<p>The class teacher is the first point of contact for any issues. Parents/carers are encouraged to liaise with their child's teacher so they are aware of any concerns that arise. Teachers are responsible for the well-being of all the children in their class and liaising with other staff within the school as required, ensuring that the appropriate support is in place as soon as a need is identified. If the teacher feels further intervention is required they will then be referred to our Student, Staff and Family Support Team (SSaFS for short).</p>
Student, Staff and Family Support Team (SSaFS)	<p>This team coordinates and provides all additional help and support for both children and parents/carers, around mental health and wellbeing, and special educational needs.</p> <p>This team is made up of:</p> <ul style="list-style-type: none"> - Miss McCarthy (SSaFS Lead and Attendance Lead), - Mrs. McCaghrey (our Special Educational Needs Co-ordinator), - Mrs. Jones (our Mental Health First Aider and Mental Health Lead). - Miss McCloskey (our Mental Health First Aider and Wellbeing Lead). <p>Any member of staff can raise a referral to the SSaFS Team, and any parent or carer can request one.</p>
Meeting with Pastoral Support Lead and/or SENCO	<p>If either parent or teacher feels that support from an outside agency is required, an assessment or a referral; parents are invited to discuss concerns with either the class teacher or a member of the SSaFS Team. During the meeting we can establish what is working well and what the concerns are using the 'Signs of Safety' approach. Advice and signposting to other agencies is offered at these meetings along with support with any referrals.</p>
Coffee Mornings for Parents and	<p>Our SENCo (Mrs. McCaghrey) holds a coffee morning once each half-term which all parents and</p>

<p>Carers of Children with Additional Needs</p>	<p>carers of children with additional needs are very welcome to attend. She publicises these Coffee Mornings on Class Dojo, and they also go out in the Dates for your Diaries section on our fortnightly newsletter.</p>
<p>Special Needs Drop In Clinic</p>	<p>Our SENCo (Mrs. McCaghrey) holds a regular special needs drop-in clinic giving parents and carers the opportunity to meet with her for a 1:1 discussion if they wish.</p>
<p>Lunchtime Support</p>	<p>Emotional well-being, social skills and developing effective relationships with peers are supported by Nurture Clubs (EYFS and KS1, KS2); children play board games, do craft activities and colouring in and are supported with their play activities.</p>
<p>Nurture Group</p>	<p>A small number of children (no more than 6) attend our Nurture group each day between 9.30am and 11.45am. The children are mixed between KS1 and KS2 and receive a high level of additional support for half a term around nurture, self-esteem and speech and language. The children are Boxall Profiled before they start and again when they finish. The group is supported by Mrs. Browne and there is good liaison in place between them and the children's class teachers. The group share food and drink together, play games, role play, carry out activities linked to the Boxall Profile outcomes, do some precision teaching and cover some of the material which the children are missing from their classes.</p>
<p>ELSA</p>	<p>Some pupils may at times need additional support with regards to their social, emotional and mental health. Therefore, specific support is given by our ELSA (Emotional Literacy Support Assistant), this can be group work or 1:1.</p>
<p>Safeguarding & Child Protection Procedures</p>	<p>The school has a clear and detailed Safeguarding (Child Protection) Policy. Currently, there are three members of staff who have Designated Safeguarding Lead training, as well as a Designated Safeguarding Governor. However, safeguarding is everybody's responsibility at Glade Academy and we all work together to ensure that the rigorous and robust systems that are in place are followed to ensure the safety of our children.</p>

	<p>We always act in the interest of the child. Our staff receive regular training and updates about all forms of abuse.</p>
<p>School Nurse</p>	<p>We can support you with making a referral to the School Nurse Team; please speak to Mrs. Hawkins or Mrs. Brookes-White in the school office if you would like us to do this.</p> <p>School Nursing Service - Suffolk County Council</p>
<p>Early Help Assessment (EHA also known as CAF)</p>	<p>There are times when children and their families may need support from a wide range of local agencies. Where a child and family would benefit from support with more than one agency (e.g. education, health, housing, police) an Early Help Assessment will be offered to agree and coordinate that support.</p> <p>The Early Help Assessment is an evidence based, family friendly tool designed to support solution focused conversations between professionals and the family. Its purpose is to identify strengths and difficulties, engage and empower individuals to achieve positive change and prevent needs escalating.</p> <p>Early Help Assessment (EHA) - Suffolk County Council</p>
<p>Attendance</p>	<p>Attendance data is monitored by the Attendance Lead and Attendance Officer (Miss McCarthy and Mrs. George). The school's appointed Educational Welfare Officer works closely with our school to support families and maintain good attendance.</p> <p>Pupil attendance, penalty notices and welfare - Suffolk County Council</p>
