Summer 2

What makes a good friend?

Listening

When someone is listening it means they are giving the speaker their full attention and trying to understand what the other person means. Listening shows respect to those who are speaking.

Key Vocabulary	Definition
boy	A child who has a penis, which is a male private part.
friendship	A relationship of mutual affection between people.
girl	A child who has a vulva, which is a female private part.
kindness	A type of behaviour showing consideration for others
listening	To take notice and act upon something that is said by others
loyalty	A strong feeling of support or allegiance
relationships	The way in which people are connected
respect	A feeling of deep admiration for someone
rules	A list that states the way things should be done
share	To allow others to have the same as you
trust	A strong belief in someone else

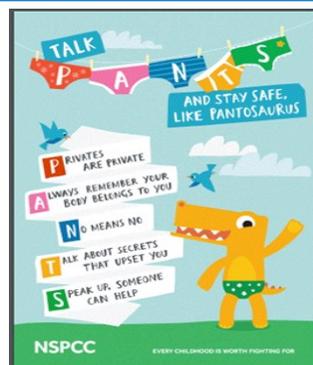

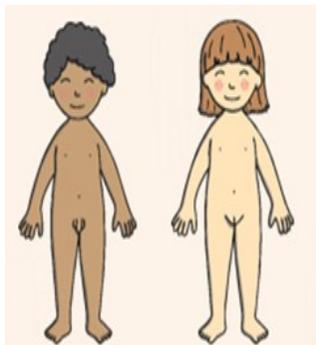

Friendship

Friendship is a relationship of mutual affection between people. It is when people like each other and enjoy spending time and playing games together. There are lots of things that make a good friend including being kind, helpful, respectful, caring and listening to what your friends have to say. Sometimes a friend will do something unkind or hurtful but it is not right to be unkind back. It is important that you talk to your friend and tell them that they upset you. A good friend will say sorry and not be unkind again.

RSE

A boy has a **penis** and a girl has a **vulva**. These are your private parts and should be covered up. Only show them to a trusted adult or medical professional.

Teamwork

Teamwork is about working together with other people. Having good friends means that you are part of a team and when you work together you are able to get more things done and have much more fun doing them. Teamwork takes lots of hard work as you might not agree with your friends but working together means that you can put all your ideas together. It
