The Heart and the Bottle

Once there was a girl who was full of wonderment at how the world worked. She shared all her dreams and excitement with her father, who always had the answer to every question. That is until one day when his chair was empty, not to be filled again - how would the girl ever find meaning from her life again?

Key Vocabulary	Definition
heart	An organ that pumps blood through our bodies
bottle	A glass or plastic container
curiosity	A strong desire to learn or know something
emotions	A strong feeling to describe our mood, circumstances or relationships
