

HOMESCHOOLWORK

You should have received the School Homework Expectations information, sent out on Class Dojo and in a letter. Specifically for Flamingos, these are:

Weekly spellings: Tested on Mondays. There is a whole half term sheet which all pupils have been given and which has also been stuck in homework books. Specific pupils will have personalised spellings. We will inform you if this is the case. The list will also be posted on Class Dojo. Every Monday we will photograph the children's spelling test and upload to Dojo so that you know how they are getting on.

Weekly X table / number facts: Terrible Times Tables and Nasty Number Bond test on Thursdays. Pupils can use www.timestables.co.uk or whiteroseeducation.com/1-minute-maths to practise using a tablet or phone. There weekly tests be uploaded into the children's portfolios on Dojo so you can see the progress they are making.

Daily reading, logged and signed: Please upload home-reading sessions to Class Dojo. They will be recorded on Mondays. We have assessed the children's reading ages and subsequently they will pick an appropriate book to read from the library. It would be most beneficial if the children could keep their book in their bag so that they can read the same book both at home and at school. We will aim to visit the library regularly but the children can also ask to visit the library when they have finished a book and completed a book review.

Optional homework choices:

Homework can be handed in any day but will be marked on Wednesdays.

English – Design a postcard from a place you have been on holiday. Complete the back with a recount of your holiday
English – Keep a diary for a week.
History – Find out about a famous Roman archaeological site or technological achievement. Ask Ms Hodges if you are stuck for ideas!
Geography – Create a fact file about a country in Mediterranean Europe.
DT – Make a lavender bag. We can supply the lavender! Use your sewing skills.
French – Draw a picture of a person or washing line and label the clothes and colours in French.
R.E. – Retell the Christmas story as a cartoon.
Science – Design a new animal and describe its features using the scientific language associated with classification.
Maths – Design a game that uses multiplication and division.
Maths – Find out the area of you bedroom.
Music – Compose and perform a jingle or rap for Red Kites class.
Music – Learn to play a Christmas Carol on the recorder.
Lifeskills – Write a recipe for a good friend. Write in the style of a cookery book.
P.E. (Dance) – Create and perform a Samba routine.
ICT – Create a podcast about an interest or hobby. Record on Class Dojo.
Complete any activity from Going for Goals
