

HOMESCHOOLWORK

Welcome back to Firecrests class. Are you ready for this next half term? It's going to be jam packed!

Weekly spellings: Tested on Thursday. Spellings sent out on Dojo at the start of every half term.

Number facts: Test on Tuesday. White Rose 1-minute maths is a free app to help practice daily maths. [1-Minute Maths App](#) [White Rose Maths](#)

Daily reading, logged and signed: Please upload these onto dojo, or send in a written record (diary sheets are available at the classroom door if needed.)

Optional homework choices:

Science – We are learning all about habitats. Find about and produce a report about your favourite animal. What is it's habitat? Why is that a good habitat for that animal?

English – What would you like to protect? An endangered animal? A special piece of land? Precious water? Make a poster, with a slogan, to tell others about your campaign.

History – Design and make a Roman shield. Talk about your design choices on a video showcasing this for your friends.

Music – Make up rhythmic, call and response patterns using clapping or your voice. Challenge someone to repeat your pattern back to you. Did it have a steady beat? If you used your voice, did you use high notes?

Maths – Build using 3D shapes (any construction that you have at home.) Which 3D shapes have you used? What did you have to consider when placing them? Which shapes cannot go at the bottom/base of your design? Why? Which ones can't go at the top?

Reading books will be changed on a **Wednesday**. We would love to see you learning at home, post pictures or videos of it to dojo and we will look at them in class.
