

Firecrests Spring 1

HOMework

Welcome back to Firecrests class. Just think, at the end of this half term, we will be halfway through our year together!

Weekly spellings: Tested on Thursday. Spellings sent out on Dojo at the start of every half term.

Number facts: Tested on Tuesday. White Rose 1-minute maths is a free app to help practice daily maths. [1-Minute Maths App](#) [White Rose Maths](#)

Daily reading, logged and signed: Please upload these onto dojo, or send in a written record (diary sheets are available at the classroom door if needed.)

Optional homework choices:

Science – Electricity. Create a 'DANGER' poster highlighting the dangers of electricity and how you can use it safely.

English – Think of the scariest place that you know. What could be lurking in there. Draw a poster and use noun phrases to describe what's there. Could it be a toe-crunching, lip-smacking thudwhacker? Have you used all of the sentence types?

Geography – Pick a town in another part of the UK (not England). Do some research to find out what it is like there. How does it compare to living in or near Brandon? What is the same and what is different?

Life skills – Help to look after our environment by going litter picking with your friends and family.

Art - Research graffiti. Take inspiration from what you find and create a graffiti mural, outside using chalk.

Maths – Did you get any money for Christmas? What are you going to spend it on? How much change will you get? How did you work out your change?

Reading books will be changed on a **Wednesday**. We would love to see you learning at home, post pictures or videos of it to dojo and we will look at them in class.
