

HOMework

Welcome back to Firecrests. Well, this is the last half term we have together before you embark on the exciting adventure that will be year 3. Remember, for each piece of homework that you share, you will get 2 dojo points!

Weekly spellings: Tested on Thursday. Spellings are sent out on Dojo at the start of every half term.

Number facts: Test on Tuesday. White Rose 1-minute maths is a free app to help practice daily maths.

Daily reading, logged and signed: Please bring to school every day

Optional homework choices:

Maths – Play the top marks position and direction game – Hungry Pirates, on your computer, tablet or phone. Can you guide Peg to the treasure chest?

English – Find out who invented your favourite thing. It could be the ipad, lego... the more unusual the better! Write be a short biography (a fact sheet about a person) or record yourself giving a presentation about them. Who are they? How old are they now? How old were they when they invented whatever it is? How did they invent it?

Science – Research facts about our solar system and the eight planets: Mercury, Venus, Earth, Mars, Jupiter, Saturn, Uranus, or Neptune. What's the best or most surprising thing that you can find out? Are there any solar system jokes?

History – Draw one of history's powerful voices (e.g. Ghandi, Rosa Parks, Greta Thunberg, Malala Yousafzai), add 3 sentences describing how they changed the world.

Reading books will be changed on a **Tuesday**.
